NEWCOMB COLLEGE

PIERCE BUTLER, B.A., M.A., PH.D.

Dean

**

Newcomb College was founded by Mrs. Josephine Louise Newcomb, in October, 1886, as a memorial to her daughter, Harriot Sophie Newcomb. In her will, which is dated May 12, 1898, she left to the administrators of the Tulane Educational Fund, for the benefit of Newcomb College, the residue of her estate after the payment of certain specified legacies. Mrs. Newcomb's feeling for the people of New Orleans and her desire to advance the cause of education of young women in Louisiana were the reasons that moved her to make this foundation. It was her expressed wish that there should be maintained a simple form of daily religious exercises in a chapel or assembly room, but she specifically provided, "I desire that worship and instruction shall not be of a sectarian or denominational character."

There are at present eight buildings of fine construction upon the campus and several smaller buildings. We have recently completed and occupied a new dormitory, the Warren Newcomb House, fronting upon Newcomb Campus. This will probably form one unit in a plan of dormitories to be built. During the year 1928-29 we completed Dixon Hall, on the quadrangle fronting the Art Building, named in honor of President Emeritus Brandt V. B. Dixon. Dixon Hall, which was first used for the Commencement Exercises in 1929, provides an Auditorium seating about one thousand, with a fine and well equipped stage; studio and practice rooms for the School of Music; and an entire wing for the Library. The stack rooms here will provide for about sixty thousand volumes and may be expanded.

The purpose of the college is to foster the intellectual life in any way that may seem most helpful and promising for the maintenance of a high standard of culture and it endeavors to equip young women for effective and intelligent service to society. The regular courses offered lead to the degree of B.A. or B.S., or for students in Art and Music, B.Design and B.Music.

COLLEGE OF ARTS AND SCIENCES

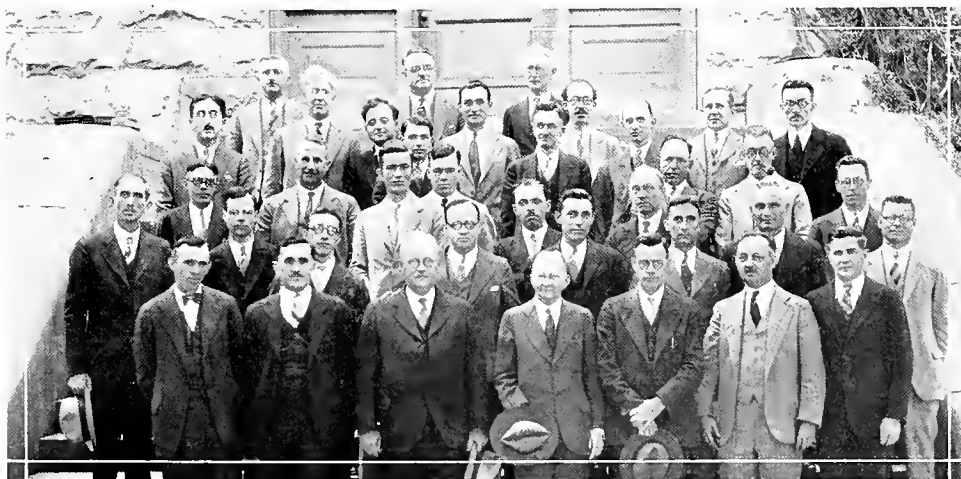

EDWARD A. BECHTEL, PH.D.

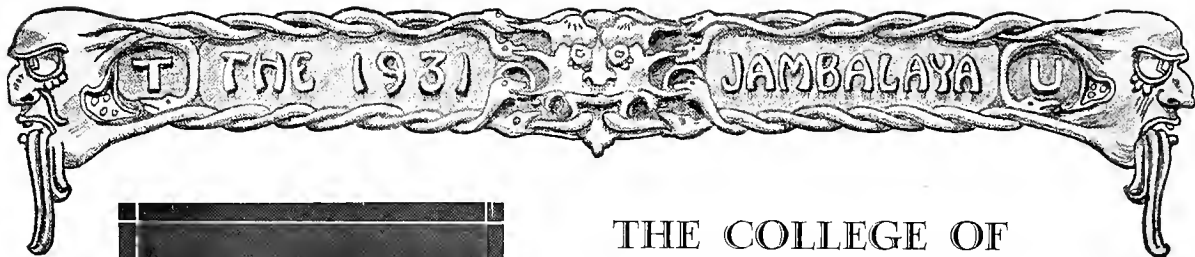

Dean

The College of Arts and Sciences is one of the oldest colleges of Tulane University, and with the exception of Newcomb College, has the largest enrollment. Courses are offered leading to the degrees of Bachelor of Arts, Bachelor of Science, and Bachelor of Education in Physical Education. The curriculum in each case is planned so as to give a general education in fundamental subjects, and at the same time to afford specialization in some one group of studies, with a view to the development of general culture and training.

Special courses are planned for those seeking admission to the College of Law, the College of Medicine and the College of Pharmacy. Among the elective courses affording professional training is included the Department of Journalism. The Course in Physical Education is planned to train men to serve in the secondary schools as athletic coaches and directors while at the same time the academic subjects are properly represented in the curriculum.

THE COLLEGE OF LAW

RUFUS CARROLLTON HARRIS, A.B., LL.B., JUR.D.

Dean

✠

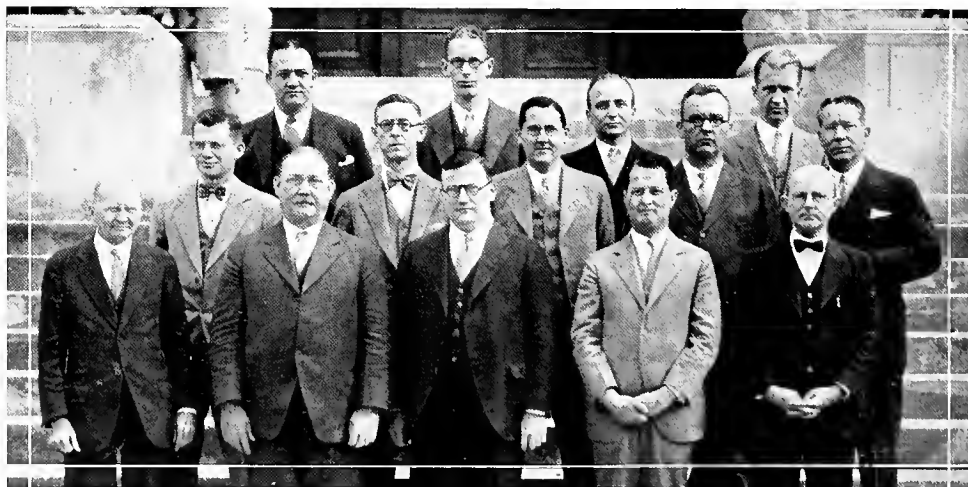

The Tulane College of Law was established in 1847 as the Law Department of the University of Louisiana. It has afforded legal training to thousands during the period of its existence.

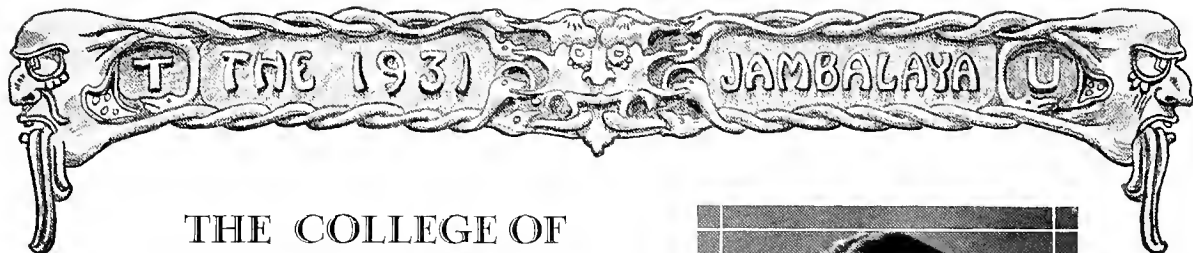

The purpose of the College of Law is to provide opportunities and facilities for training equal to the best afforded elsewhere. It purports to inculcate a sound knowledge of both substantive and adjective law. However, the school recognizes a duty beyond equipping and training of men to become practitioners. Many of the University students find its courses valuable training for citizenship and business careers.

The curriculum of the College of Law is unusually attractive in that it is arranged to provide for the special training of those who intend to practice in Louisiana, and at the same time it is arranged to afford training to those who may wish to practice in any of the other states.

The College of Law owns a large and well selected library, which is recognized as one of the most complete in the Southern states. It is a member of the Association of American Law Schools, and has been given the Class A rating by the American Bar Association, and its degree is registered by the New York College Board of Regents. These are the standardizing agencies for law schools.

The publication of the *Tulane Law Review* by the College of Law affords a medium for the expression of the best thought available on the Jurisprudence of Louisiana.

THE COLLEGE OF ENGINEERING

DOUGLAS SMITH ANDERSON, B.A., M.A.

Dean

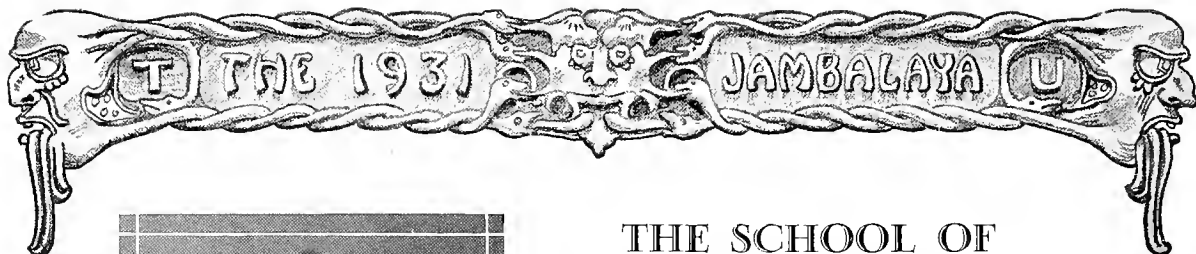

The College of Engineering offers broad courses of professional training in the fundamental principles underlying the various branches of Engineering and Architecture. The formulation of these courses is the outgrowth of the best thought of educators and the engineering profession and of our own experience during the last two decades.

The technical studies in the College of Engineering are contained in four divisions, called schools. The schools are divided into departments. A department includes subjects, or groups of subjects, which are similar in nature. The schools are:

MECHANICAL AND ELECTRICAL ENGINEERING
CIVIL ENGINEERING
CHEMICAL ENGINEERING
ARCHITECTURE

No candidate for a degree is allowed to restrict himself to the narrow training which might be imparted by any one school. Work in the technical departments of one of the above schools is made the backbone or principal part of a four years' course and supplemental work is required in other schools in the college.

THE SCHOOL OF MEDICINE

CHARLES CASSEY BASS, M.D., D.Sc.

Dean

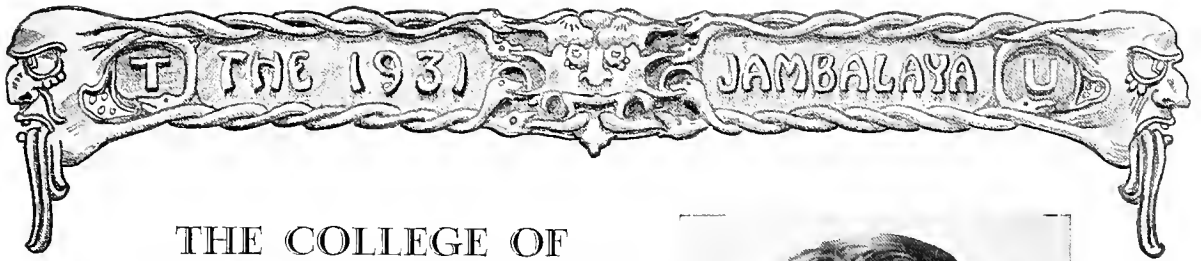

New Orleans has been the leading medical center of the entire South and Southwest for almost one hundred years. Wherever new ideas in medical progress have appeared, the medical profession of New Orleans has either reflected that progress promptly or has taken a leading part in its elucidation. Some of the scientific researches and contributions of the medical profession of New Orleans have commanded attention and high esteem in every civilized country in the world. Students and doctors from every state in the Union, and from many foreign countries, come to New Orleans for medical training. To meet the ever increasing needs

in this direction, Tulane has erected a new Clinic Building, adjoining our great Charity Hospital, which provides the most complete and most extensive facilities for the best care of patients combined with the best opportunities for a thorough study of diseases by the staff and students of the School of Medicine.

Provision is also made in the new "Hutchinson Memorial" for the headquarters of the organized medical profession of the City and State, represented by the Orleans Parish Medical Society and the Louisiana State Medical Society. Sufficient space is provided in the building for a library that will fall within the group of the largest five in the United States and will be a genuine storehouse of medical knowledge.

THE COLLEGE OF COMMERCE

MORTON ARNOLD ALDRICH, A.B., PH.D.
Dean

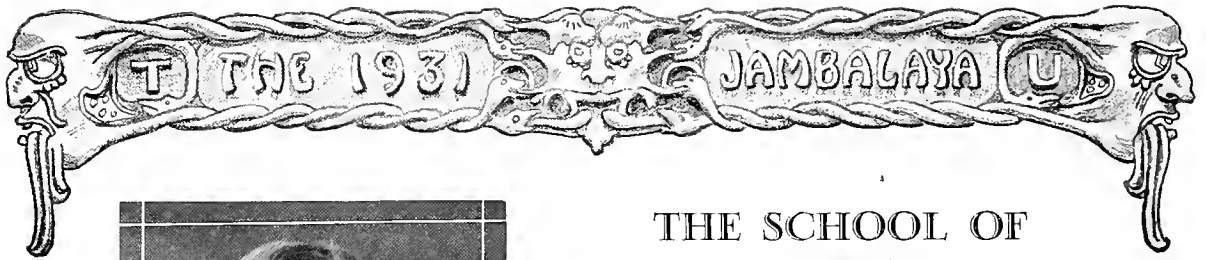

✠

The purpose of this college has been, since its establishment in 1914, to offer substantial professional training preparatory to a business career. The instruction offered is planned for students sufficiently able and mature to do work of university grade, and no student is received unless prepared to do work of this character. It is essential, also, to the permanent success of the college that its students approach their work in an earnest professional spirit.

In order to make the business courses available for business men and women, classes are also held at night from 8 to 9:45 o'clock. These classes meet in Gibson Hall, Tulane University, each course being held one night a week. By thus devoting only one night a week to attending a course, a man or woman already in business may take any of the night courses offered.

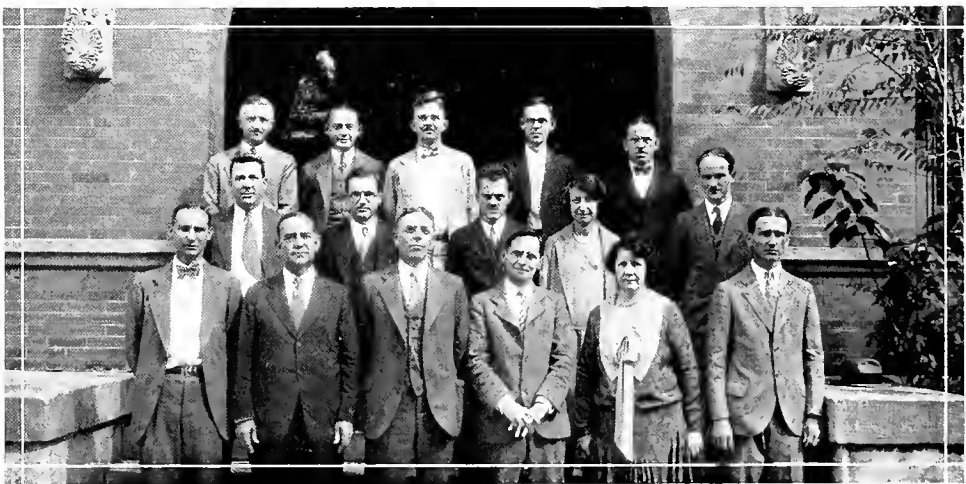

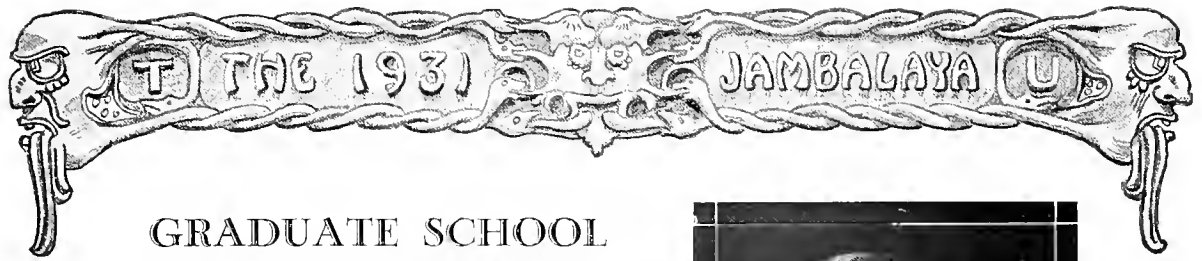

THE SCHOOL OF PHARMACY

CHARLES CASSEY BASS, M.D., D.Sc.
Dean

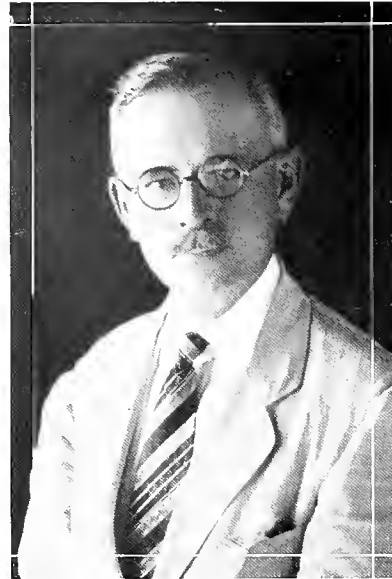

By action of the Board of Administrators of the Tulane Educational Fund of the Tulane University of Louisiana, the School of Pharmacy has been indefinitely suspended effective with the close of the 1930-31 session. The Board and Faculty have satisfaction in the fact that until the school was closed it was maintained and conducted on the very highest plane and that the Alumni can always feel proud that they graduated from this School. Suspension of the School was made necessary by the fact that it had no endowment and it was impossible to maintain the standards for which Tulane University of Louisiana stands without some income other than that from student fees.

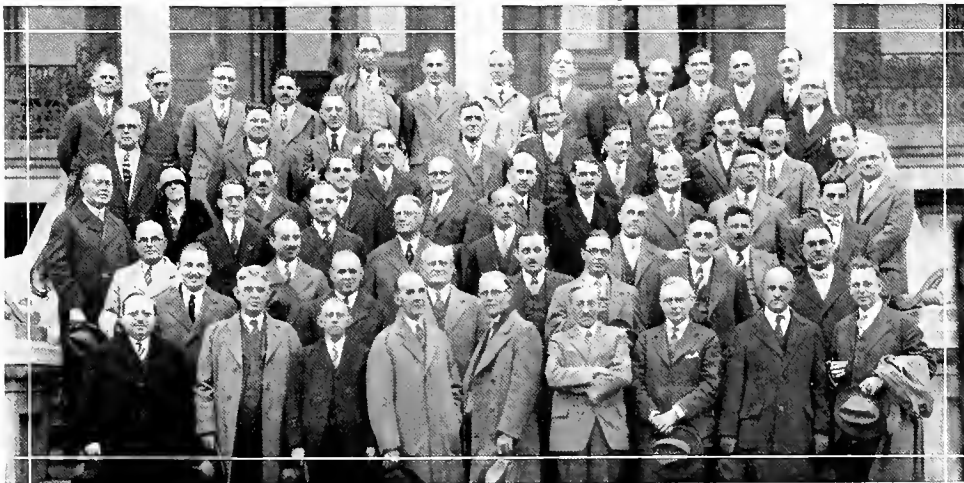

GRADUATE SCHOOL OF MEDICINE

HENRY DASPIT, M.D., F.A.C.P.
Dean

The Graduate School of Medicine is the department of the College of Medicine of the Tulane University of Louisiana which provides post-graduate instruction to the medical profession. The courses offered are arranged to afford work from October to June of each year, and during that time there may be found medical graduates from all parts of the country who come to avail themselves of the opportunities presented in order to keep abreast with the recent advances in medicine and surgery, or to specialize in the major branches.

Instruction during the forenoon is carried on in the wards and clinics of the Charity Hospital, Touro Infirmary and the Eye, Ear, Nose and Throat Hospital, and the afternoon and evenings comprise didactic lectures and work in the clinical laboratory at the Hutchinson Memorial Building. All of the instruction, whether didactic or clinical, is under the direction of men experienced in the various branches of medicine and surgery.

Department of Middle American Research

FRANS BLOM, *Director*

The Department of Middle American Research was founded in 1924, for the purpose of advanced research into the history, archaeology, botany, natural resources and products of Mexico, the Central American Republics, and the West Indies, and to gather and disseminate information in regard to these countries.

Five expeditions have been sent into the field. One of these was primarily agronomical, and three others had archaeology and ethnology for their chief purpose, but all of them gathered as much data as possible.

The fifth expedition went to the Nunnery Quadrangle of the ruins of Uxmal in Yucatan, for the purpose of making a complete and detailed study of this group of structures which will be reproduced in full size as an anthropological museum at the World's Fair of Chicago in 1933. This expedition was financed by the World's Fair of Chicago, and the National Research Council of Washington selected Tulane University to do this work.

The Museum of the Department contains many valuable and interesting collections, having material on Middle America and related anthropology, as well as on the Southeastern United States.

The Library ranks among the leading research libraries of the country, and contains anthropological and archaeological books, many rare manuscripts, and also volumes on travel, geography, botany, biology, and cartography of Central America. Both the Museum and Library are open every week day from 9 to 12 A. M. and 1 to 5 P. M., except on Saturday afternoons.

A new society has been formed this year, its membership consisting of those who have taken in the Field with the expeditions conducted by the Department of Middle American Research of Tulane University. Each expedition member has received a key composed of the letters T. U. X., which stands for "Tulane University Expedition," and on the reverse is engraved his name and year or years he was in the field with the outfit.

THE GRADUATE SCHOOL

JOHN MACLAREN MCBRYDE, PH.D., LITT.D.

Dean

To men and women holding the Bachelor's degree from Tulane University and from institutions of equal grade the Graduate School offers courses leading to advanced degrees in the fields of the liberal arts, the sciences, and engineering. In addition to these, advanced courses leading to the degree of Master of Science and Doctor of Philosophy are given in special fields in the medical sciences by members of the Medical Faculties who have been elected to membership in the Faculty of the Graduate School. Opportunities are afforded for clinical work in the hospitals of the city under the guidance of well-known specialists. Thus the Graduate School presents carefully planned courses designed for teachers desiring to gain a broader and deeper knowledge of their chosen fields and for graduates in engineering and medicine wishing to specialize in some particular lines of work.

COURSES FOR TEACHERS

JAMES ADAIR LYON, A.M., D.SC.

Chairman

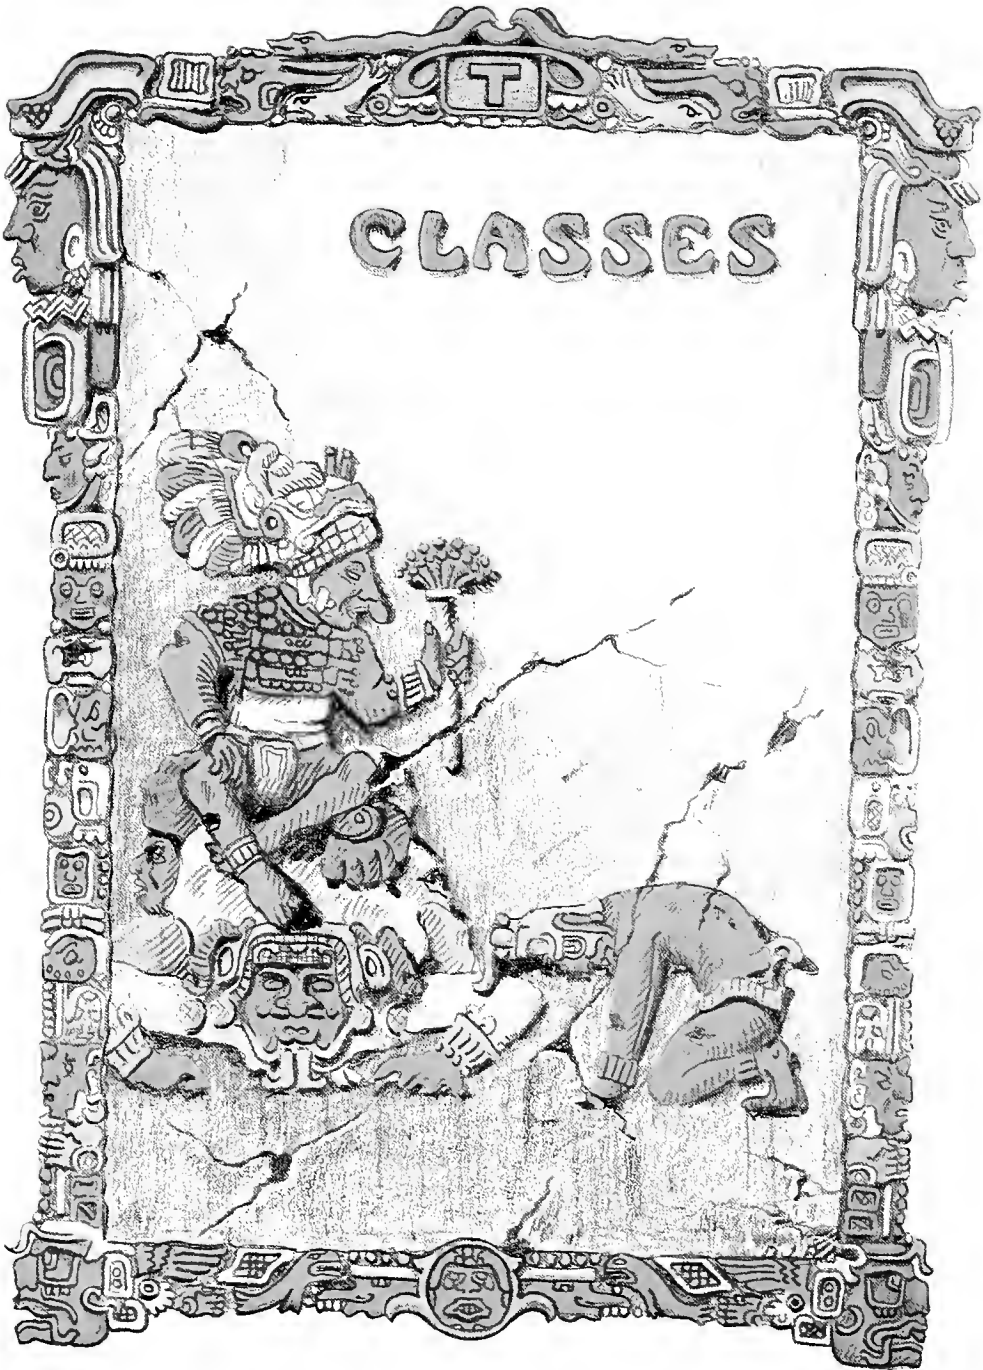

For many years Tulane University has operated a number of courses to meet the need of those whose hours of employment will not permit attendance upon regular classes. The classes are scheduled in the afternoon hours and on Saturdays, thus making it possible for teachers, especially if they so desire, to add to their equipment in many subjects.

These courses are of full college grade, conducted by regular members of the faculty, and in the case of students who have satisfactorily fulfilled the entrance requirements, credits obtained may be applied towards a degree.

General Athletics

There was joy in Tulaneville during most of 1930. New Orleans again went wild over a champion football team that won sweeping victories at home and abroad. It went wild over Jerry Dalrymple's making every all-American and the national and southern honors accorded "Preacher" and "Don" and "Dynamite" and "Jack" and Morris.

Tulane produced champions not in football alone. Clifford Sutter swept the country's tennis courts to return with an imposing array of titles headed by the Intercollegiate Singles Championship.

The track team's football relay combination established a record at the Southern Conference meet. Enviably records were made by "Foots" deColigny in the hurdles and "Jimmy" Wells in the distances.

In its second season the boxing team established itself as a leading Tulane sport. Jack Holland and Jack Pizzano won championships in their respective classes at the Southern Conference tournament. In 1931 Doyle Hill triumphed in the conference heavyweight division.

Wrestling and golf became increasingly popular and enjoyed fairly active seasons.

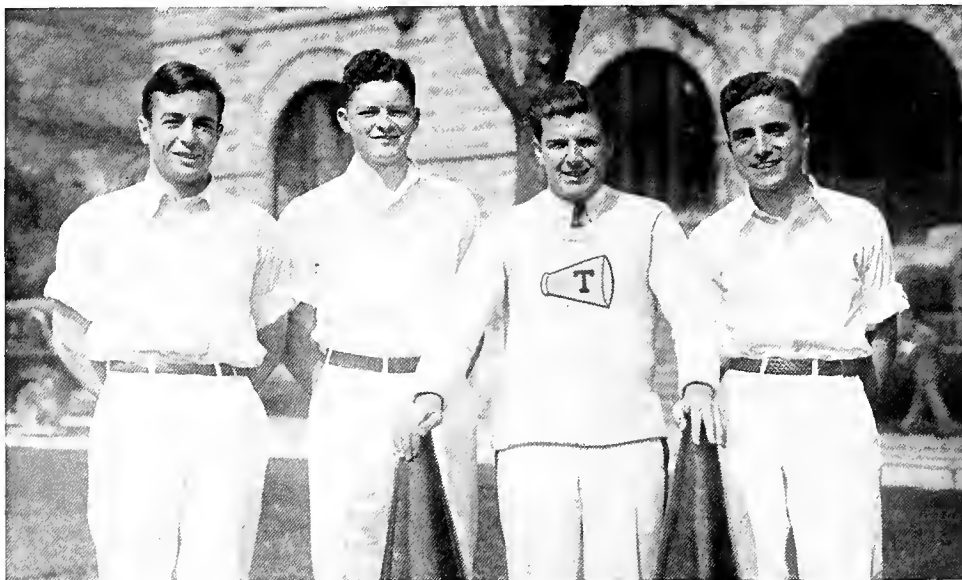

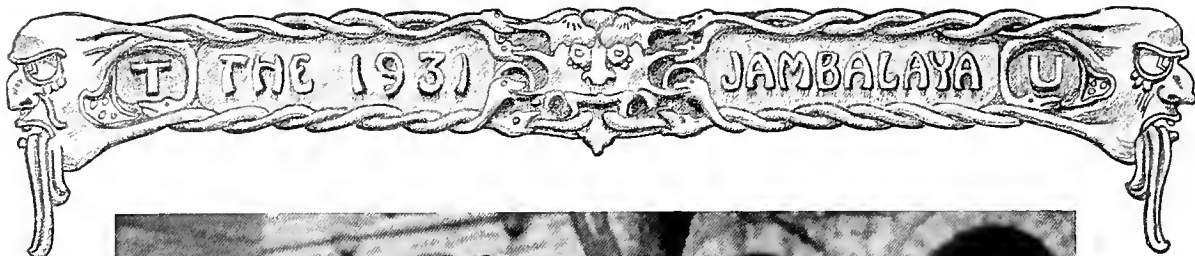

A milestone in Tulane athletic history was passed when the University abolished baseball in 1931 for ever and ever. Amen.

During the year 1930-1931 the full inter-fraternity, intra-mural and inter-class schedules were completed. Great numbers of Tullanians who loved to play the game and to compete but were ineligible or incapable of varsity participation played football, basketball, baseball, tug-o-war, swimming, and track.

In 1931 Manager of Student Activities Barkley started a rifle team which was going strong during the first months of spring.

Equipment in many forms of sport was added to and improved. The athletic renaissance of Tulane has begun!

Moise, Chalaron, Holmes, Bonart

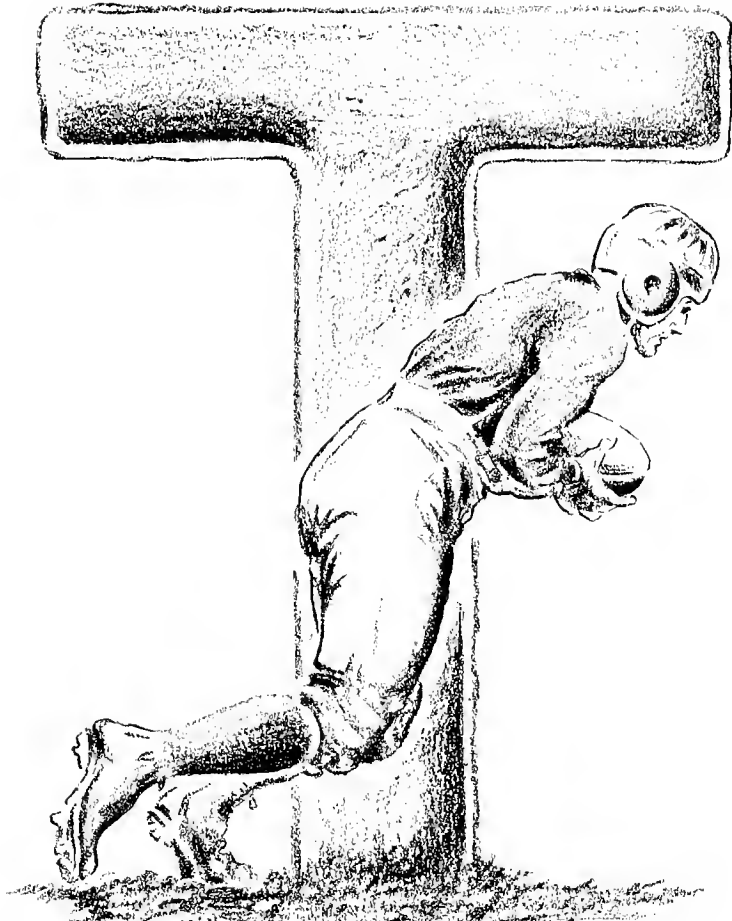

Cheer Leaders

The rah-rah squad had a great share this year in the glory of the Green. When it wasn't along on road games, the crowd wasn't just satisfied and up in Chicago the sports writers and Windy City fans nearly had a fit because Helen Bradley was missing. They had never seen a real sure 'nuff, live girl cheer leader and a red-haired one at that.

Joe Holmes got the crowds to yelling in the darkest moments and when the Greenies started rolling, there was no stopping him. Harold Moise did some handsome flip-flopping reminiscent of Benny Franklin; and F. J. Chalaron and Harold Bonart did their part in assisting. Bonart could make the freshman section cheer itself into one big hoarse throat and Chalaron persuaded the reticent upperclassmen to "get organized."

Miss Bradley and Ida Rittenberg, the Newcomb leaders, always were a hit with their red hair and white dresses and gloves. They made the "Ick-Da-Minniger" doggerel as much a part of Newcomb and football games as Dr. Butler and the ball itself.

TULANE'S MIGHTY

COACH BERNIE BIERMAN

A mighty Green Wave surged in an almost unbroken swell to share Southern Conference honors with Alabama for 1930. A loss to Northwestern, co-holders of the Western Inter-Collegiate Conference title, alone precluded a perfect season and perhaps an invitation to play a west coast team in the Bowl of Roses.

Tulane's was a team of superlatives. Tradition established by such as "Iri h" Levy, "Brother" Brown, "Peggy" Flournoy, and "Bill" Banker was more than upheld by Don Zimmerman, Nollie Felts, "Wop" Glover, "Preacher" Roberts, "Jerry" Dalrymple and Elmer McCance. It was difficult to point out any particular star, for the entire eleven worked like a machine, "Tick" Upton or "Foots" de Coligny, John Scafile or John McCormick, Captain "Preacher," Morris Bodenger, and McCance blocking the line and giving the backfield plenty of time to get away; the ball-carriers flying behind interference led by Dalrymple and Jack Holland. And on the defense the team would swarm into opponent's backfields, knock down and intercept passes and smother the enemy runner.

Just how great power the Wave had is shown by the 263 points rolled up against opponents' 30. In all games won Tulane showed she deserved to win by making more first downs, completing and intercepting more passes and gaining more yardage from scrimmage than its victims.

There was no denying the quality of the Olive and Blue. Sports writers, and particularly those from Atlanta, who ventured that Tulane's schedule was not difficult enough to put it among the top notchers, were bound to praise when the Greenbacks crushed Georgia, conquerors of Yale and N. Y. U., 25-0. When it is considered that Tulane had perhaps as hard a road schedule as any team in the Conference, playing such juggernauts as Northwestern, Texas A. & M. and Georgia Tech a long way from home, the "schedule" objection didn't hold water. And now Tulane has signed up Kentucky for games in 1932 and 1933 to silence the calamity howlers forever.

All Dixie takes its hat off to Bernie W. Bierman, who has given Tulane two Conference championships in the four years he has been here and whose teams have never lost to L. S. U., winning in 1927, 1929 and 1930 and tying in 1928. Undoubtedly the modest, gray-haired man who crouches silently on the sidelines as his teams crush America's best is one of the best coaches in the country. With him as assistants he has Ted Cox, who has trained the finest lines ever seen in the new stadium, and Lester Lautenschlaeger, who has been an invaluable mentor of backfields, training them with the famous strategies of the great 1925 team. Lester and Ted have done some neat scouting which has enabled Tulane teams to solve the worst riddles opponents may spring on them.

Admittedly the Wave and the Red Elephants of Alabama were among the five best teams in the United States during 1930. On any all-American, Jerry Dalrymple deserves a place at end. On any all-Southern, "Preacher" Roberts and Don Zimmerman can be included with most honorable mention to Elmer McCance, Nollie Felts and Jack Holland.

At the first call for fall practice, Bierman was faced with the back problem. Banker, Armstrong, Seeuws, Pizzano and Baumbach were gone. Who was to take their place? It

wasn't very long before Zimmerman, Hugh Whatley, Glover, Felts and Dawson adequately answered these questions and there was lots of good reserve strength in Francis Payne, a plunging fullback; Pat Richardson, clever at quarter; Jim Percy, a fleet half, and Jim Hodgins, another worthy back. Zimmerman, Felts, Payne, Percy and Hodgins were all sophomores—the greatest crop of them ever developed.

The line was all right from the start. Charlie Rucker was the only loss and Upton, who, by the way, boots a ball at kick-off with unerring precision, and de Coligny, who plays an equally good game at end, filled up the gap. Seaside, another sophomore, shared honors with McCormick at one guard with Bodenger playing a steadily good game on the other side. McCance played his heart out at the other tackle, a thing he had been doing for two years previous. Good judgment was shown in electing Roberts captain, for he served as a constant inspiration to his team by always breaking into the opponent's backfield whenever they had the ball and stopping about half of any team that ever tried rushing the Tulane ball carriers.

A special paragraph goes to the ends. Jerry Dalrymple was the best all-round player on the team. There were times when he actually took out as many as five opposing tacklers and in three-quarters of all plays in every game Jerry was mixed up, usually as the first to stop a ball-carrier or the first of the interference for a Tulane runner. He blocked kicks, intercepted passes and tackled and blocked with every ounce of his 180-odd pounds. He caught several passes that meant touchdowns for Tulane and he spilled many plays that might have meant touchdowns against Tulane. Jack Holland, over on the other side, played a remarkably fine game throughout the season, especially when you consider that he suffered severe injuries, one to his arm that was painful every time he tackled or caught a pass or blocked. But he did those things just the same.

There was only one dark spot in the season as regards players. Elmer Massey, who had tried three years to become a great back without ever having any previous experience and who had his wishes denied him because there were bigger and more experienced stars, was about to realize his dream when big Frank Speer of Georgia Tech landed on an ankle and crack went the ankle and the dream and Elmer was on crutches throughout the rest of the season.

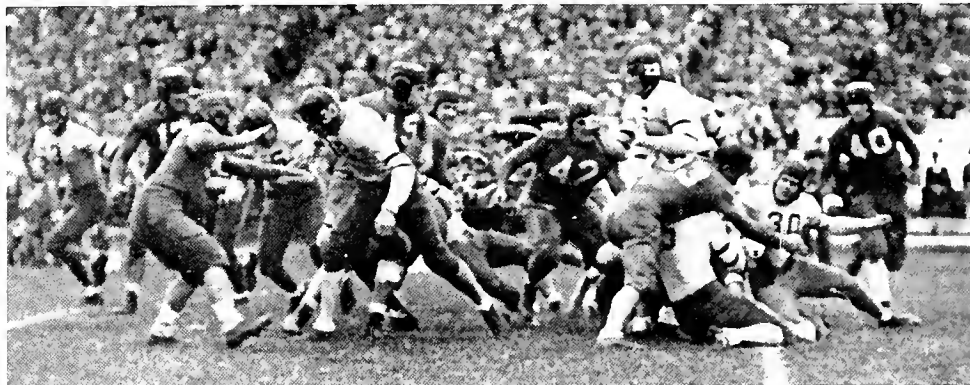

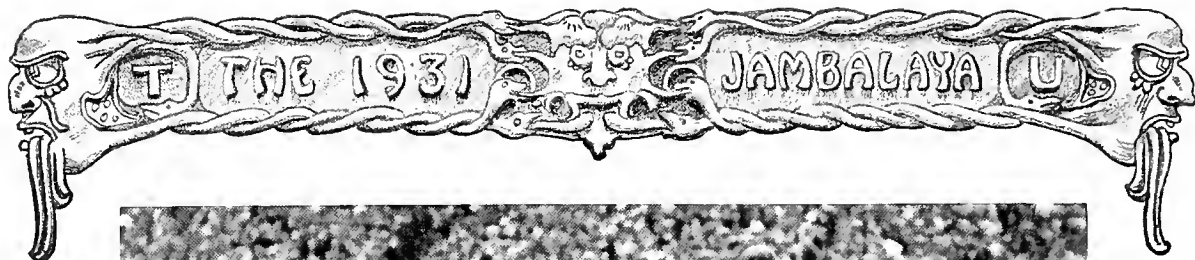

COX BIERMAN LAUTENSCHLAGER

In the first game, played in New Orleans before a surprisingly large crowd of 15,000, the Wave easily submerged the Southwestern Louisiana Bulldog by the second largest score in Tulane history, 84-0. After Massey, Zimmerman, Felts and Glover had done for S. L. I., Dawson, Hodgins, Payne, Whatley, Jastram, Percy, Haik, Tschirn and Lemmon ran around gaily as the score mounted every time Tulane got the ball. Massey's playing was the most outstanding and Zimmerman's value as a back was very definitely determined when he scored two touchdowns after long runs.

The following Thursday, the team entrained for Chicago and ran out on the field at Dyche Stadium, Evanston, Illinois, against Northwestern University on Saturday. It was tit for tat throughout the first period, but then the Wildcats launched a powerful scoring offensive headed by Captain Hank Bruder and "Pug" Rentner, both mentioned as all-American material, and the game ended Northwestern, 14; Tulane, 0, which is the lowest score the Westerners were held to by teams they beat and they beat them all except Notre Dame. The Micks only walloped them by two touchdowns and Rockne's boys were the best in the world. There were a lot who thought Tulane could have drowned the Wildcats had they been playing the game they showed Georgia Tech and Georgia. At least Tulane was off form. Dalrymple played his sole poor game.

But Northwestern was obviously too powerful a team to defeat in the second game of the season. Coach Dick Hanley let loose reserves like bees, while Bierman only used six. Then the breaks were theirs. A pass of Massey's was intercepted by Bruder who ran 54 yards for the first touchdown. Holland, for Tulane, played his greatest game of the season. Felts, Massey and Glover also deserve high praise. Roberts, as usual, effectively stopped up the line.

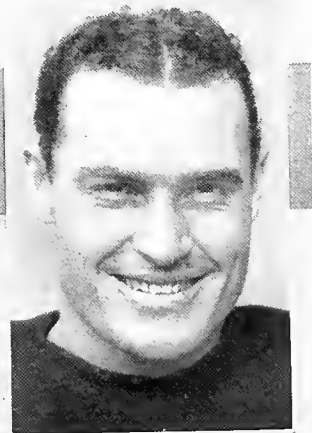

The Greenies had no sooner returned than they were on the road again, this time to Dallas and a game with Texas A. & M. The Farmers were a great team, despite future defeats. They were not as good as in 1929 but they met the 1929 champions of three conferences on three successive Saturdays, Nebraska, champion of the Big Six, Tulane, and Texas Christian University, champion of the Southwestern Conference, and defeats by these don't preclude their recognition as a good outfit. They scored nine points on Tulane, a safety, the first score of the game, and

a touchdown in the last period after Tulane had finished its day's work with 19 points. "Wop" Glover scored two touchdowns and was easily Tulane's star. The line played air-tight ball from end to end and Felts and Dawson went well behind.

The Greenbacks paid New Orleans a brief visit to roll over Birmingham-Southern, 21-0. The Panthers exhibited surprising power and Tulane was kept on its toes although at no time was there any doubt of the outcome and the visitors were thoroughly out-played in every department.

Georgia Tech is always dangerous. Tulane's victories over the Golden Tornado have been few and far between, but this season the Greenbacks made it two in a row by thoroughly trouncing the Jackets on Grant Field, Atlanta, 28-0. There never was a chance for the old glory of Southern football, but they had the psychology with them as they had not yet been crushed

by Penn and Florida. Maree, Speer, etc., were stopped dead while Zimmerman, Felts, Glover, et al., played real football. The force of Tulane's attack was dazzling and the Atlanta scribes admitted it. The price of victory was heavy, though, for it was in this game that Massey's ankle was broken and he had to be carried off the field after he had started things going with an eighteen-yard gain in the first quarter.

Home for the rest of the season, the Wave started off auspiciously by running rough-shod over the Aggies from Mississippi, 53-0. Zimmerman and Felts did their share as usual but it was the reserves, Percy, Payne, Hodgins and Lemmon that ran wild to chalk up four touchdowns in the final period. Zimmerman was the high-scorer with three touchdowns. The line loafed but not so much that the Aggies could get through, not even Bobby Herrington, their game quarterback.

Auburn got doused 21-0 in spite of their revised Notre Dame system and new coach, Chet Wyne. "Rambling Don" Zimmerman averaged slightly under five yards, totalling 109 yards in twenty-six attempts. Felts showed his power as a plunging fullback. Roberts, on the line, was in every play. For the visitors, Hatfield and Hitchcock played good football.

Highly-touted Georgia was next on the program. They came here with the scalps of Yale and New York University, two of the East's finest teams. They came here in perfect condition with "Jack the Ripper" Roberts, "Catfish" Smith and Captain Maffett raring to go. But they didn't. They were stopped still, while Tulane scored 25 big points and Dalrymple proved his right to all-Southern above either of the great Red and Black ends. The Bulldogs didn't look weary, either. They opened up play through the line that made the first quarter a scary affair, although the ball stayed in the middle of the field. And it stayed there all through the second

period until Don Zimmerman changed his mind about throwing a pass in Georgia's territory and ran 24 yards across the goal in the last minute of the half. After that it was church for the Bulldogs. Although Zimmerman was so badly hurt on touchdown play that he had to be removed for the rest of the game, Whatley went wild in the second half and the score rolled up. Glover was greater than ever before. Holland was as good as he was in the Northwestern game, Felts, placed at quarter while Dawson sat injured on the bench, showed the neatest field generaling home fans had seen in a long time.

Louisiana State was all that remained in the Greenie's path to another title. It seemed easy. South Carolina, Mississippi A. & M. and Alabama had licked the stuffings out of the Tiger. But the admittedly greatest L. S. U. team to play here in the last ten years nearly rocked the Wave from the throne. It showed the power it had shown in walloping the Porkers from Ar-

kansas, 27-7. It showed in "Dobie" Reeves, "Billy" Butler and Sidney Bowman three of the trickiest halfbacks exhibited in the new stadium this season. It showed that Russ Cohen was by no means through as a coach and it showed that Louisiana had two truly great football teams.

Louisiana first scared Tulane in the first quarter when it cut loose some clever plays that looked goalward-bound. But the invincible Wave line tightened and L. S. U. took a back seat while Tulane scored twice during the second and third quarters. But that was all Tulane could do although it threatened the Tigers five times and five times was tossed back at the door of a touchdown.

In the last quarter, Tulane's quick kick that beat Georgia, called at a bad time when the ball was deep in Tulane territory and the Wave had two downs to go, was blocked by an L. S. U. lineman who took the ball over the goal. Then L. S. U. kicked goal and the Tulane

stands stopped breathing. Every minute was a thrill from then on and Louisiana once seriously threatened to score again. Tulane's failure to kick goals after the touchdowns might have cost them the victory. At last the game ended and Tulane breathed its relief. It was a hard game. Roberts had been knocked out in the first half. Lodrigues substituted well but the line just didn't seem to function those last minutes. But Tulane had won, 12-7, and tied Alabama for the title, the Tide having beaten Georgia in Birmingham the same Thanksgiving Day.

"Preacher" Roberts played his last game Thanksgiving. So with Elmer McCance, Jack Holland, Morris Bodenger, Hugh Whatley and Elmer Massey. A great team will be badly "shot" this fall but there is still the greater portion of a fine line—Dalrymple, Upton, Seafide, McCormick and de Coligny along with nearly all of the backfield stars—Glover, Zimmerman, Felts, Payne, Hodgins, Percy, Dawson and others. Tulane can look forward to another great year of football.

Uncovering varsity potentialities was the achievement of the Baby Billow in 1930. While their big brothers were going through another undefeated season in the conference, the freshman football team lost the whole of a three-game schedule. Several stars were uncovered, however, and each of the opponents had a dickens of a time getting going against the youngsters, none scoring until late in the game.

The little Crimson of Alabama trounced the fro-h, 27-0, in the opening game, played at Tuscaloosa. The great reserve strength of the Reds—they used thirty-five men—proved the undoing of Tulane, but it was not until the last period that the result was sure. In this quarter Alabama scored three touchdowns and it was all over, even the shouting.

Auburn freshmen beat Tulane, 19-0, in New Orleans. It was not until the last minutes of the first half that the Plainsmen scored—via the air route. Keeping to the air they rallied again in the second half and again. Charlie Kyle's sensational punting kept Tulane out of many a tough situation. Meadows, Calhoun, and Alternate Captain Eddie Henriques also distinguished themselves.

It took all that was in L. S. U. to squeeze out a 7-0 victory over the ancient rivals of New Orleans. Again the score did not come until late in the game. The loss was a bitter one, for the Green team outfought the Tiger kitties the whole way. "Little Wop" Glover, "Sonny Boy" Westfeldt, and "Little Preacher" Roberts were the Tulane stars. Kyle again did excellent rescue work with his kicking toe.

Homer R. Robinson was captain of the Billow, and Fontaine Martin and Allan Roussel, managers. Ted Bank did a nice job of coaching.

Basketball

While concluding a fairly successful basketball season for 1929-1930 with seven victories to two defeats, the Tulane basketball team enjoyed little glory during the 1930-1931 season. Coach Bernie Bierman was confronted by the loss of such men as Dave Drezinski, Lizzie Ford, Preston Savoy, Phil James, and Woollen Walshe and the new team was more willing than able and lacked teamwork throughout the year, although it showed flashes of form at times. It was a better football team than a basketball one.

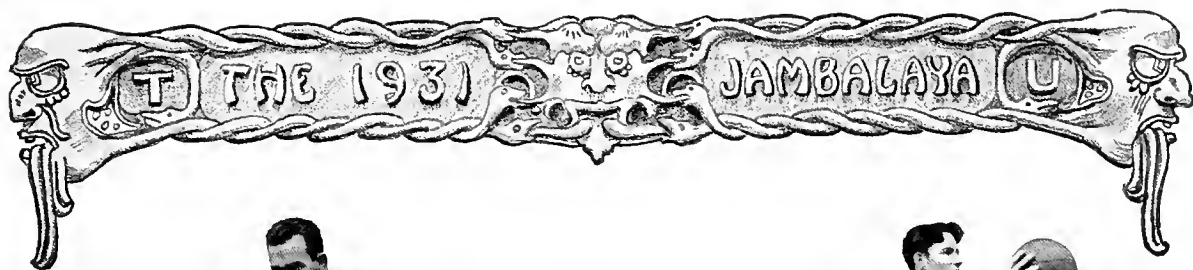

In closing the previous season Tulane won from Springhill twice, 41 to 20 and 26 to 20. Auburn went under the Wave, 45-40, and again 41-37. Then the win streak halted and L. S. U. took two games, 30-35 and 15-24. The Green cagers came back, however, to share the series with the War Skule five, winning the next two games, 27-25 and 30-27. In between fights with L. S. U. Bierman's boys walloped St. Stanislaus, 42 to 29.

Tulane's conference record was satisfactory and the team qualified for the tournament only to be put out in their first game by Georgia Tech.

This year's story was a different one and a sadder one. The quintet won only six games out of twenty played and these from only mediocre and poor teams. The support given the team by the stu-

dent body and by local fans was worse than the team's playing and to a great degree responsible for it.

In the first schedule game Tulane defeated the N. O. A. C. players, 50-37, and a freshman star of the past season was brought to light as a varsity king pin—"Midget" Meyer, a forward.

On December 18 Tulane began a tour of southwestern Louisiana inauspiciously by losing to Louisiana Normal at Natchitoches, 18-42. They next lost to S. L. I. at Lafayette, 20-30. To complete the sad road to nowhere they were downed by Louisiana College, 30-53. Lack of teamwork was held responsible for this string of defeats.

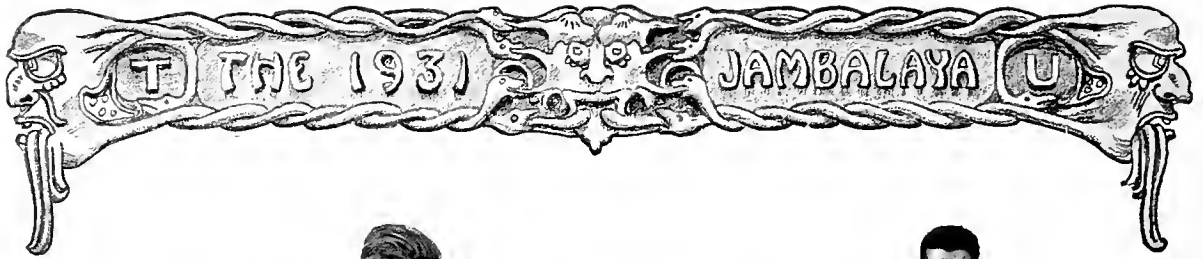

Tulane got back on Southwestern by licking them here twice, 30-23 and 36-35. In two exceedingly rough games with Ole Miss, the Greenies broke even, taking the first tilt, 42-40, and losing the second, 40-50. Players were removed for fouls like jumped men on a checkers board.

The Louisiana State cage five took three games of a four-game series from Tulane, the Green winning only the first.

Sewanee Mountain Tigers swept the Greenies off the local court, 27 to 25, and 49 to 39. Mississippi College was beaten, 49-40, and then allowed to win and split the series. Auburn won two games from Tulane and Alabama, last year's conference champs.

Tulane's record did not merit a bid to the Southern Conference tournament and the quintet stayed at home to hope for better luck and material next year.

Following is the record made by the 1929-1930 Green Cagers:

BASEBALL TEAM

Baseball

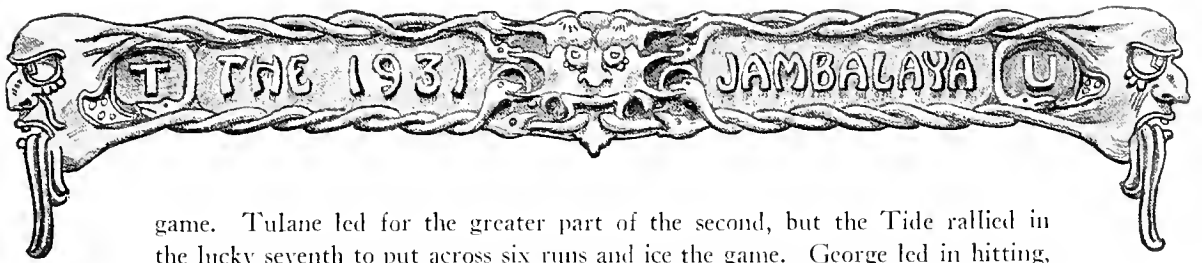

Baseball died a violent death in its last season on a Tulane diamond. The 1930 team dropped every game of fourteen played and the letters given to the outfit were the last that will ever be given a baseball team here, for in February, 1931, the Tulane Athletic and Student Councils voted to abandon varsity ball.

On the plains of Auburn Tulane went down to its first defeats in successive days, 11-5 and 2-1. Johnny Menville's fine hitting was the only redeeming feature of the Tulane losses. Johnny collected three runs in the first game and hit thrice out of five times at bat. Burvant also made three hits out of five chances. Menville made two three-baggers. Auburn, incidentally, was fresh from a 12-1 victory over the Birmingham Barons, the champions of the Southern Association.

The New Orleans Pelicans walloped Tulane, 18-0, in spite of Captain Tom George's good pitching. Minnesota, one of the best elevens in the Big Ten, crushed Tulane here, 15-6. Menville, O'Pry, Hertzog and Burvant played good ball for the locals.

Tulane paid Alabama a sad visit at Tuscaloosa, coming home with two black eyes, 4-12 and 6-7. Alabama pitchers struck out sixteen Tulanians in the first

game. Tulane led for the greater part of the second, but the Tide rallied in the lucky seventh to put across six runs and ice the game. George led in hitting, although he was knocked off the mound.

Springhill College of Mobile put the skids under Long Tom George in the first of a two-game series and under Louis Lundy in the second. The scores were 12-7 and 20-0.

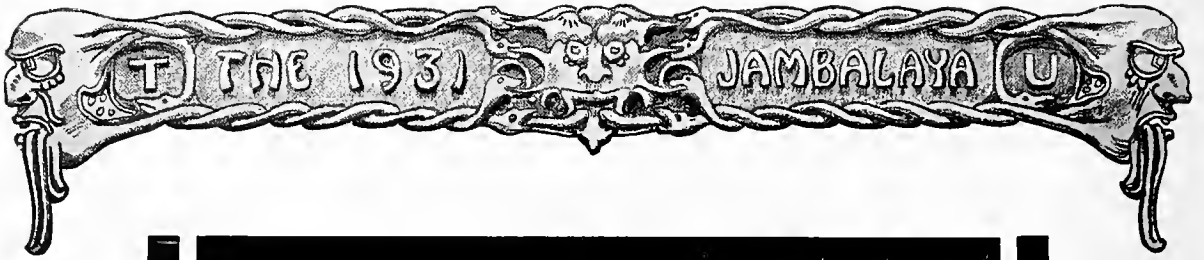

The Farmers of Mississippi A. and M. had a two-day spree here, defeating the Greenies, 3-2 and 6-5. Both games were hard fought as the scores indicate and it was no holiday for the Aggies, although in the first game their pitcher, Gregory, fanned nineteen, count 'em, Green batters. In the second game a Tulane rally led by O'Pry, Menville, Luchsinger and Hertzog came too late in the last inning to give the team a victory.

Springhill took another from the Green, 6-1, making their supremacy very decided.

Errors lost the first game to L. S. U., 4-8. The game was played here and in spite of the attraction only a handful attended. A second game played here was again last, 4-12. Louisiana finished lapping up the series in two games played in Baton Rouge. The first the Tigers won, 12-4, and the second, 10-1, and the curtain dropped on the season and the sport for Tulane and it could hardly be called less than a tragedy.

The Athletic and Student Councils decided that the shocking support baseball received at Tulane, the general unpopularity of college amateur baseball and the number of men that applied for the sport did not merit the expense of supporting the game. Accordingly, in spite of bitter opposition from the Hullabaloo and several New Orleans newspapers, they voted unanimously to cancel baseball as a competitive varsity sport. It was decided, however, that should enough support be given, intra-mural baseball would be furthered.

D.J.P.

TRACK TEAM

Track

Although not enjoying the same national prominence as Tulane's football and tennis team, the track team of 1930 came out from behind that curtain which had been hiding the Olive and Blue runners from sectional recognition during preceding years.

No dual meets were won but a team composed of football backs won the chief relay event at the Drake Relays and lowered the record. With a bare handful of representatives, Tulane registered fourth places at the Southern Conference Indoor Meet at Chapel Hill and later at the Conference rally at Birmingham. A third place was scored at the Georgia Tech Relays in Atlanta.

Coach Fritz Oakes developed two great trackmen in "Foots" deColigny and "Jimmy" Wells. The former was a consistent winner in high and low hurdles throughout the season and a good performer in the high jump. Wells happened to be the first star distance runner developed here within the decade, but it didn't just happen that he was an A-1 miler, two-miler and half-miler among the best in the South during that season.

Captain "Lizzie" Ford, Vernon Haynes, Red Trunzler and Captain-elect Hugh Whatley experienced more than eccentric success throughout the season in the hurdle events, runs, weights, and dashes respectively. "Ike" Armstrong performed creditably in the 60-yard low hurdles, Garland Taylor in the high jump and ex-Captain John Whatley and Elmer Massey in the dashes and relays.

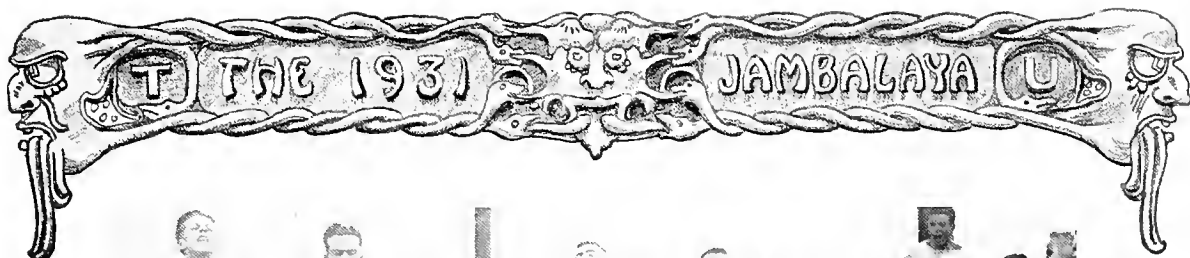

Outside of the regular track "curriculum" was to be found the granting of a charter to Tulane for a chapter of Sigma Delta Psi national track fraternity, with the "encouragement of moral, physical and mental development and training among college students" as its purpose. The fraternity was brought here by Coach Oakes in the hope that it would stimulate greater interest in track and create further trips to big meets such as the Drake Relays. To qualify for membership the candidate must pass certain tests of track ability. These tests were held and several men were "taken in."

Alpha Tau Omega and Beta Theta Pi tied for first place in the inter-fraternity meet and each claimed a leg on the new trophy, the old one having gone into permanent possession of the Dekes. The trophy went to the Betas, however, as Massey, an important point-winner for the A. T. O.'s, was ruled ineligible because he had won his letter in the Southern Conference meet of 1929.

Representing the New Orleans Athletic Club and the Elks in the S. A. A. U. meet held at the close of the season, several Tulane stars won high honors. Ford, Massey, Glover, Miller, Trunzler, Armstrong, Taylor, Scaife, Zimmerman, Payne and Haynes were among the point scorers.

Because of baseball, track was deprived of "Wop" Glover until the last meet. Too bad, for "Wop" tied for first in the pole vault with 12 feet, a height seldom crossed in conference vaulting. As it was, Glover won the Porter trophy for the best all-round athlete, taking undisputed claim to that honor with his track letter, his fourth within the year.

WHATLEY VS. L. S. U.

Cross-country got its real start in 1930, Tulane winning a dual meet with L. S. U., 27-28. Darrell Pischoff, a dark horse for the Green, crossed the line first. Wells placed third. Coach Oakes hopes to build a real distance aggregation out of these men and other promising candidates.

The first item on the Greenie track bill was the indoor meet held under the auspices of the University of North Carolina at Chapel Hill. Running on a board track for the first time, the Tulane representatives scored eleven points for a fourth place. And with only three men entered! "Speedy" Wells allowed the North Carolina entry to set the pace then burst for the finish of the mile run to win in 4 minutes, 37 2-5 seconds. DeColigny ran second to Speer, of Washington & Lee, which won the meet, in the high hurdles, placed fourth in the lows and third in the high jump, a good day's work. Although judges failed to pick "Ike" Armstrong in either hurdle event, it was later determined that "Ike" ran second in the lows.

Alabama was the first dual meet opponent and it started things off badly by whipping the Greenmen 68½ to 59½. Tulane led the visitors for the greater part of the meet but the Crimson swept the last three events and made the relay unnecessary. Hugh Whatley placed second to Smith of Alabama in both dash events. Falvy Barr won a third for Tulane in the 220. Wells won the mile, trailed in by two Alabamans. Elmer McCance and Haynes placed second and third respectively in the shot put. DeColigny won the high hurdles with Captain Ford third. The lows also were mostly Tulane with deColigny and Ford placing in order. Armstrong Allen placed second in the 440-yard dash. Haynes was third in the pole vault, and Sp neer in the two-mile. The high jump was all Tulane with deColigny, Taylor and Ryan placing in order. Haynes and Trunzler placed first and second respectively in the javelin throw and Trunzler won a third in the half mile. McCance placed second in the discs. In the broad jump deColigny was second and Pat Ryan third.

DeColigny and Wells continued their brilliant work by taking two first places for Tulane in the Georgia Tech relays at Atlanta. "Foot's" walked away in the 220 low hurdles, finishing in 24.7 seconds. Wells ground out a first in the two-mile, taking 10 minutes, 7.3 seconds to get around the distance. These victories threw Tulane in a tie for third with Georgia Tech and Mississippi A. and M.

The Mississippi Aggies, however, were way out of Tulane's class when Oakes' men paid a visit to Starkville. The score was 81 to 36 with Tulane on the bad end. Tulane only won three events. DeColigny won the low hurdles in 24.7 and the highs in 15.2. Captain Ford placed second in both these events. Trunzler took the other first place in the half-mile. Wells was unable to run in this meet, precluding any Tulane chances in the distances.

A race called the National Football Letterman Relay was added to Tulane's list of 1930 championships when Massey, the two Whatleys and Armstrong covered the 440-yard distance in 43.6 seconds, a new record for the Drake relays held at Des Moines, Iowa. A flashy Notre Dame team of O'Connor, Keplan, Brill and Mullins finished second.

A great aggregation of Auburnites swept Tulane off their home plains in the next dual meet, 60½ to 50½. As usual "Foot's" won both the high and low hurdles. Jimmy Wells won the mile and the half mile; Hugh Whatley the 220, and placed second in

high point scorer of the meet, winning firsts in both hurdles and tying for first in the high jump at 6 feet, 3/4 inch. Wells scored his usual victories in the mile and half mile. Hugh Whatley outsprinted Percy Brown of L. S. U. in the century and came second to Massey, Tulane, in the 220. Haynes won the shot-put for Tulane and Glover tied with the L. S. U. entry for pole vault honors. Ike Armstrong, Spencer and Pat Ryan also scored Tulane points in the

MCCANCE

the century. Taylor leaped six feet in the high jump for another Greenie first, and Red Trunzler added another five points in the quarter. "Buck" Haynes won second places in the pole vault, high jump and javelin throw. Ford, in the high hurdles, and Armstrong in the broad jump also scored second places. But in spite of all this effort and success, the Plainemen had more men to do different things and the forced-to-be-versatile Tulanians could not play supermen and win the meet.

In the only meet in which the relay had to be called upon to decide the victors, Louisiana State eked out a win over Tulane, 62 to 55, in the last dual contest for both teams. Tulane won the first five events on the program and seemed to have the meet well in hand when the Tigers started piling up the points until things stood 57-55 and the relay was called upon. L. S. U. won it. And just when the Greenies threatened to score their first track victory in more than a dozen years over the traditional rivals.

DeColigny was the low hurdles, mile and broad jump, respectively. The Greenies captured every track event except the 440 and the two mile, but the Tigers scored heavily in the weights. Bordlon, Tulane, placed second in the marathon. In a driving rain Tulane collected 22 3/4 points and fourth place in the Southern Conference meet at Birmingham. They placed ahead of L. S. U., Alabama and Auburn, all of whom had beaten the Greenies in dual meets.

DECOLIGNY AND ARMSTRONG

DeColigny missed by a fraction of a second cracking the record as he snapped the tape in the high hurdles. Captain "Lizzie" placed third. "Foots" sprained his ankle while attempting to do big things for Tulane in the high jump and consequently was so hindered in the low hurdles that he only placed third. "Hinkey" Haynes tossed the javelin 168-odd feet for another Green marker. Haynes also tied for fourth place in the vault. Wells, who had been ill all week, still got a third in the mile. Hugh Whatley scored a point in the 220, but failed to register in the 100.

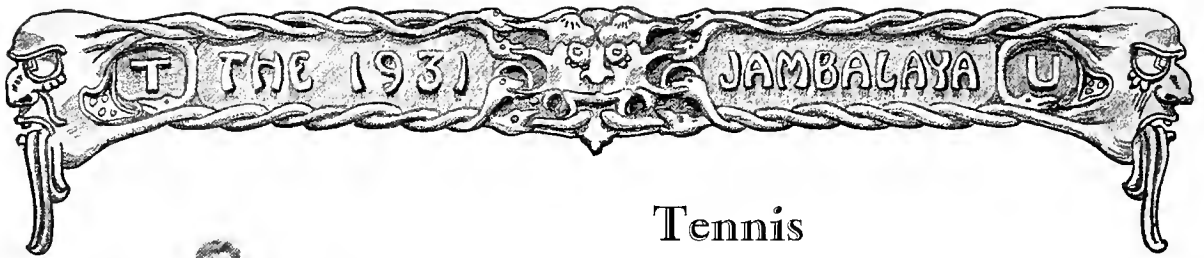

The curtain rang down on the 1930 Tulane track season when the team elected Whatley captain. DeColigny, Haynes, Massey, Allen, and Wells all returned to school in the fall and another and brighter "Tulane Day" in the Southern Conference track year is promised.

Tennis

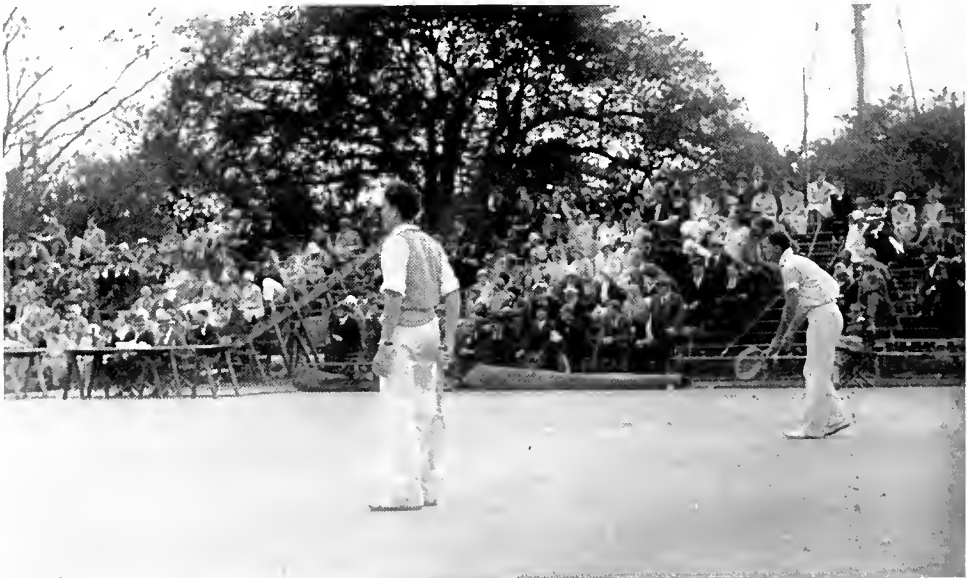

CLIFFORD SUTTER

Four of America's greatest tennis titles are Tulane's. Clifford Sutter, who developed into a championship player on Tulane courts under the coaching of Mercer Beasley, is the holder of the National Intercollegiate, the Longwood Bowl, the Eastern Grass Court and the Southern Intercollegiate singles trophies. He was the runner-up in the Eastern Intercollegiate, the Western Open and the Southern singles tournaments.

If Tulane has been effectively advertised throughout the world by an individual, that individual is Sutter. His conquest of the courts while wearing the Olive and Blue has out-shone the glory of the great football teams of 1925, 1929 and 1930.

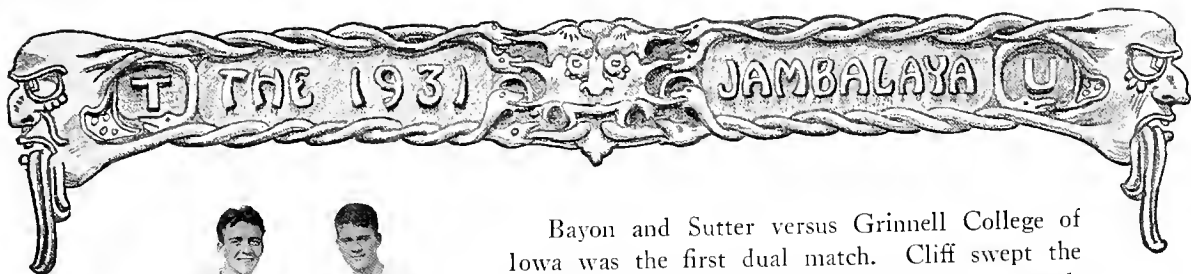

Nor have Sutter's victories been confined to single matches. Paired with Maurice "Dooky" Bayon, another championship quality player developed at Tulane, Cliff has helped bring the Tri-State, Western and Southern Intercollegiate Doubles titles to Tulane along with runner-up honors in the Longwood Bowl Doubles. Dan Murray, a Tulane graduate, and Sutter were runners-up in the Southern Doubles.

But it was not just individuals that put Tulane on the tennis map. The team, although its schedule was not as intensive as it might have been, smashed its way to some plausible accomplishments.

SUTTER AND BAYON

SUTTER AND BAYON

Bayon and Sutter versus Grinnell College of Iowa was the first dual match. Cliff swept the courts with Don Jones, 6-0, 6-1, while Dooky walloped John Kent, 6-4, 6-1. The Westerners were game, but it was no contest. Bayon and Sutter took the doubles, of course, 6-4, 6-1.

There is irony in tennis as well as in life. Bryan Grant took the Southern singles title away from Cliff Sutter last summer and still holds strong claim to Position Number One on Mason and Dixon courts, yet at Pinehurst, N. C., early in the spring, Dooky Bayon licked the stuffing out of Grant. In the same tournament Sutter beat Fritz Mercur only to lose to Johnny Doeg. George Lott and Doeg defeated Sutter and Bayon in the doubles.

Texas seems to have the perennial jinx on Tulane. Bayon defeated Earl Taylor of the Longhorns in this dual meet, 6-0, 6-1, but then Bruce Barnes, who incidentally has an N. L. T. A. rating, upset the dope and Sutter, 6-3, 4-6, 6-0. The rest of Tulane's team was not so good as the rest of the Steers. Lacoste beat O'Kelley, 6-0, 6-1. King Stubbs went down, 6-0, 6-3. Paired, O'Kelly and Stubbs lost to a Texas combination in three sets.

Sutter and Bayon versus the New Orleans Lawn Tennis Club was the next meet. Tulane won.

Just before the big battle—the Southern Conference Tournament—Tulane split a meet with the Tarheels from Chapel Hill. Sutter put out Bill Merritt, 11-9, 6-3, which shows that Mr. Merritt was hot competition. Bayon let Hinky Hendlin down, 9-7, 9-7, which shows that Mr. Hendlin was also hot competition. The Tulane championship pair defeated Merritt and E. K. Graham, 6-2, 6-1. Liskin of North Carolina beat Wood Brown 6-0 and 6-3. Graham eliminated Shep Shushan, Tulane No. 4, 6-2, 6-1. Hendlin and Liskin finished up North Carolina's share by defeating Brown and Luke O'Kelley, 6-2, 7-5.

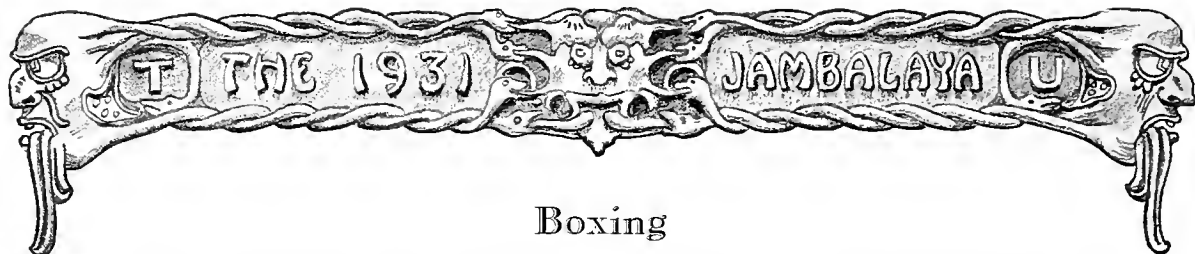

The courts behind the gym were again the scene of the tournament between the best in the college South. Over twelve institutions sent their choicest racquet wielders to Tulane, but without avail for all the honors were kept right on the home lot. In the singles finals Cliff decisively defeated Don Cram, the Nashville ace representing Vanderbilt. In the doubles finals, Sutter and Bayon did their usual act, beating Sally and Gus Feure of Florida, 6-4, 6-2, 6-4.

The tennis season ended then as far as our seeing Tulane win was concerned but it really only began, for right after school closed, Sutter and Bayon embarked on the crest of the Green Wave and washed North, East, South and West to highest honors in singles and doubles.

SUTTER

Boxing

Although only in its third year boxing has become one of the most popular sports at Tulane. Officials hope that Tulane will get a new gymnasium which will attract and hold a larger crowd at matches and serve participants more adequately than does the present old stadium arrangement.

In spite of handicaps, however, there have been a large number of students answering Coach Ted Bank's calls and for so young a sport the attendance has been large and the teams' records good. The 1930 JAMBALAYA did not include the record of the boxing team for that year; so it is our duty to be its biographer.

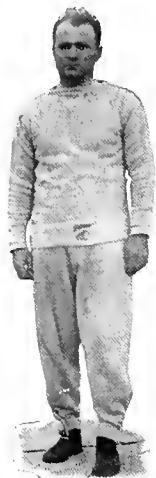

The first match, against Clemson, was won by Tulane five matches to two. Menge, Roy Theriot, Haas, Holland and Pizzano won their bouts, while "Pee Wee" Thompson and "Buster" Theriot lost. All fights were closely contested and all decided by decision.

Louisiana State was the next to go down for the count. Tulane boxers won five out of seven matches—Pizzano, Holland, Haas, Buster Theriot and Menge all winning. L. S. U. got the proverbial sweet revenge in the rivals' second meeting, however, at Baton Rouge this time, winning the season's closing meet before 5,000 howling Red Stick fans, five to two. Jack Holland and "Red" DeBuys were the only Greenies to connect. Big Ed Khoury was not given a chance at Pizzano, who had beaten him in their last mixup, but crumpled "Tick" Upton, giant Greenie tackle in a third round knockout.

Georgia was easy for the Greenie sluggers, losing to them five out of seven. Both Theriots, "Red" McCormick and Jack Pizzano won their matches and a fifth went to Tulane by default.

Florida was a little tougher, but the Tulanians came out on top four matches out of seven. Roy Theriot, DeBuys, Holland and Pizzano won their bouts. Menardi, Florida featherweight, kayoed Voorhies within a few minutes.

Tulane placed third in the S. I. C. tournament matches, held at Charlottesville. Coach Bank could well be proud of Jack Pizzano's heavyweight title and Jack Holland's lightweight title. Florida copped the conference prize and V. M. I. was runner up.

BANK

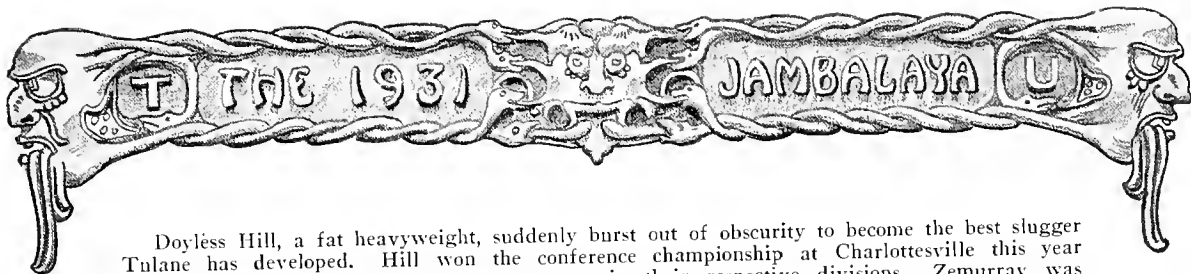

MENGE

BOXING TEAM

Doyle Hill, a fat heavyweight, suddenly burst out of obscurity to become the best slugger Tulane has developed. Hill won the conference championship at Charlottesville this year and DeBuys and Zemurray were runners-up in their respective divisions. Zemurray was handicapped during a part of the season by an injury or no doubt Tulane's record would have been better off.

Clemson fell easily before Tulane in the first competition of 1931. Wallis, Menge, Jacobs, Gianfala, Zemurray and Hill contributed to the swamping. Hill won a second round knock-out from Siegal of the Tigers. Blount was the only Greenie to lose.

Tulane kept up the good work with a knock-down and pick-up defeat of Southwestern at Lafayette. Menge, Jacobs, Tharp and Zemurray each won their bouts by knockouts. Decker lost his heavyweight go by a technical K. O. to "Red" Brown, S. A. A. U. champion whom Jack Holland knocked out in a non-collegiate fight several months ago. Gianfala won his match by decision. Guy Stubbs was the only other loser.

Thus Tulane climbed out of the 1931 boxing ring, four times victorious and three times defeated and second place winner in the Southern Conference Tournament.

Wrestling

Coach Monk Simons' matmen engaged in more activity last year than any Tulane wrestling team has ever done. Two exciting matches with the ancient rivals from up river and entry into the S. A. A. U. tournament composed the schedule.

The Greenie wrestlers won four out of seven matches from the Tigers in their first meeting at Baton Rouge. Guy Stubbs, Tulane, threw his L. S. U. rival, Marx, for a fall. Ed Silverstein won by a fall from Tiger Andrews. Earl Daly toppled the giant Almokary enough to win by a decision. "Cutie" Eustis, Tulane, struggled to a draw with Raburn, L. S. U. The Louisiana winners were Hornsey, Morgan and Clarke, who defeated Tulanians Lienhard, Clair and Hogan, respectively.

In the second match, wrestled in New Orleans, Tulane's victory was even more decisive. Only Eustis and Harvey lost matches, while Stubbs, Hogan, Silverstein, Leinhard, Daly and Mangum won easily, in most cases by falls, from their Tiger opponents.

Captain Myrtus Mangum and Jerry Dalrymple won their way to the finals of the S. A. A. U. matches in their respective classes, but were defeated at this point.

Eddie Gessner, manager, and C. B. Harvey, John Hogan, Guy Stubbs, Mangum, and Silverstein won letters.

There had been no wrestling program so far this year.

Golf

A "big time" golf team was in prospect for Tulane as this went to press. Captain George Bush, city champion and holder of many local and sectional amateur titles, led a group composed of Jesse Rainwater, sensational Country Club golfer; Harry Schwartz, the best young golfer of the Metairie Country Club; Shelby Friedrichs, Jacques Levy, Bobby Wehrmann and other stars, new and old. Competition for team positions was severe—the material was so excellent. A schedule was being arranged.

In 1930 the golf team played only one game against Louisiana Staters here April 26. L. S. U. smarted from an 18-0 defeat.

Captain Jesse Rainwater drove his way to the semi-finals of the Southern Conference tournament only to be defeated by Perry, of Alabama, the tournament champion. Other members of the Tulane team were: George Bush, captain-elect; Jacques Levy, and Dave Gernon.

A former Tulanian and football linesman, Fred Lamprecht, has distinguished himself by his golf record. Lamprecht was Pan-American champion until this year.

BUSH AND RAINWATER

THE RIFLE TEAM

Newcomb Athletics

Because of the fact that the *Jambalaya* goes to press when Newcomb's athletic season is just beginning to get under way, the account of activities must necessarily be limited.

An important addition has been made to the regular athletic program this year. A weekly class in riflery is being conducted under the supervision of expert sharp-shooters at the Army Supply Base. Quite a few girls have joined the classes, and as evinced by the enthusiasm shown and the excellent scores already achieved, it is probable that Newcomb will claim many marksmen of great ability in the near future.

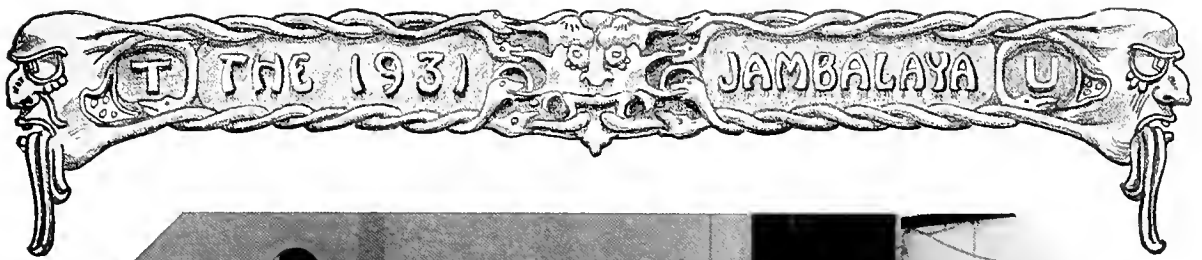

GETTING SET

The first three major sports, Newcomb Ball, Volley Ball, and Newcomb Basketball, have been played off, and for each of these there was an admirable attendance, with the Freshmen proving themselves to be remarkably skillful in their first games with experienced upper classmen.

Now, all lovers of sports are intensely interested in Hockey which seems to be the favorite of the majority of the student body. The oncoming seasons when Spalding Basketball and Baseball will be played are being eagerly looked forward to. If the classes report for these as eagerly as they did for the preceding activities, then a successful athletic season may certainly be predicted.

Meanwhile, the gym is by no means an idle place, for Miss Malone daily supervises classes in swimming and diving which will be brought to an end in May when the annual swimming meet is held. Tournaments in the minor sports—bowling, ping-pong, and flying fish—are played off at different periods during the year parallel to the major sports. While all of these activities are going on, the entire student body, under the direction of Miss Lucy Richardson, is preparing for gym night which occurs in March, and which is always a gala event

A SURE GOAL

at Newcomb. There will be exhibitions of fencing, apparatus work, wand and drill exercises; clowns, one chosen from each class, will supply the amusement for the audience during the intermissions.

The program for the Department of Physical Education culminates at the end of May with the coming of Field Day. All Seniors, from every High School in New Orleans, are invited to come and be the guests of Newcomb in order that they may become familiar with the environment in which they will shortly be students. On this day the track meet is held, when competitors from each class strive for honors in throwing the javelin, fifty-yard dash, broad jump or whatever their choice might be. There is also the Faculty-Varsity baseball game played in May when our professors appear in a role quite different from that in which we are accustomed to seeing them. The contest is always an amusing and enjoyable one, with the faculty anxious to prove their superiority over the students in baseball as well as in knowledge.

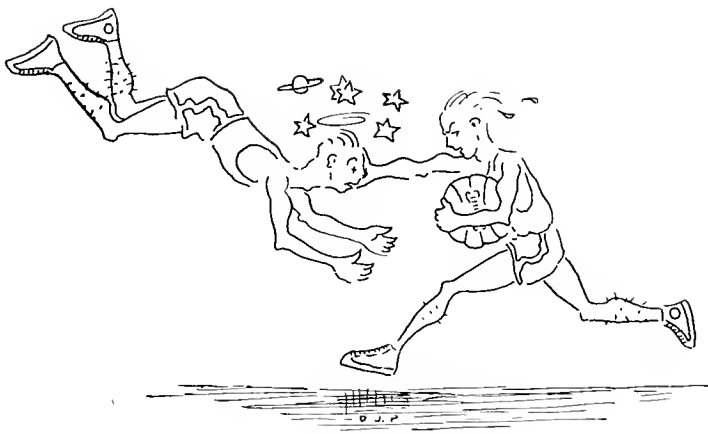

Athletic Council has decided this year that a Senior may receive her sweater during the year provided she gains the required number of points. This decision has won the approval of everyone because formerly such an award was given only at the end of the year. Through this new ruling, the Seniors will be privileged to wear their sweaters just as soon as they have attained the proper requirements. All other trophies and awards will be given on Trophy Night in June when the final closing of the Department of Physical Education will take place.

There is always something that a girl might do at Newcomb whether she is athletically inclined or no. To further emphasize the desire to please, Miss Smith announced at the beginning of the year that classes in tap-dancing would be conducted. They are probably the most important new additions made to the curriculum this year due to the fact that through them many students have discovered that though they are not especially enthusiastic over sports, their talent lies in this new enjoyable form of exercise.

We believe in the tenets of abiding truth which is the guiding star of our Order. We believe in the helping hand which is the bar which binds us in our calling. We believe in the unity of service to one another which lends to the weary a word of cheer, to the poor a portion of our share, to the weak a need of pity, to the stricken a voice of comfort, to the old a memory of youth, and to the wayfarer a help along to the journey's end.

Our emblem will always be an inspiration to duty, remembering it stands for excellence in all things, purity of purpose and honesty of method and effort, with the blessing of an Alma Mater upon each who bears our badge of honor. May our lives lie among the stars which light the way to the great mystery, and may we so live that when we reach the end of the road we may find the veil, which parted leads to the heights of everlasting peace.

Sic ad Astra!

The Tulane University Student Council is an organization composed of the presidents of the various student bodies of the different colleges of the University. The council is supreme as a law-making and judicial body relative to all phases of student affairs which involve the university at large. The Student Council was organized with the inception of student government at Tulane, March, 1915.

"The Tulane Law Review" is a professional publication edited by the Law School and is of particular interest to the legal profession. It covers the entire field of law, but particular attention is paid to the civil law and to comparative law. It is of especial interest because it is the only publication of its sort, in this country, which devotes a department to the civil law.

The Board of Advisers is made up of Seniors and Juniors of the College of Law, chosen because of their rank as honor students in their respective classes. Into the hands of this board is placed the exclusive jurisdiction of Moot Court work. The year 1930-31 marks the third year of a very active and successful life.

The Tulane Moot Court Competition operates thus:

The entire law student body is divided into what are known as clubs. These clubs are entitled the Benjamin, Livingstone, Martin, and White Clubs. Each club is composed of Junior and Senior students, and arguments between the clubs are conducted between Juniors against Juniors and between Seniors against Seniors.

Points earned by the contesting teams go to the credit of the clubs represented. At the end of the year, the Senior sections of the clubs having the highest total scores—which totals are obtained by the addition of the Junior points of the preceding year to twice the amount of Senior points of the current year—elect those Senior members who are to participate in the final Senior round, which is held in the spring. The team winning the final Senior round has its name engraved on a permanent marble plaque in the Law Library.

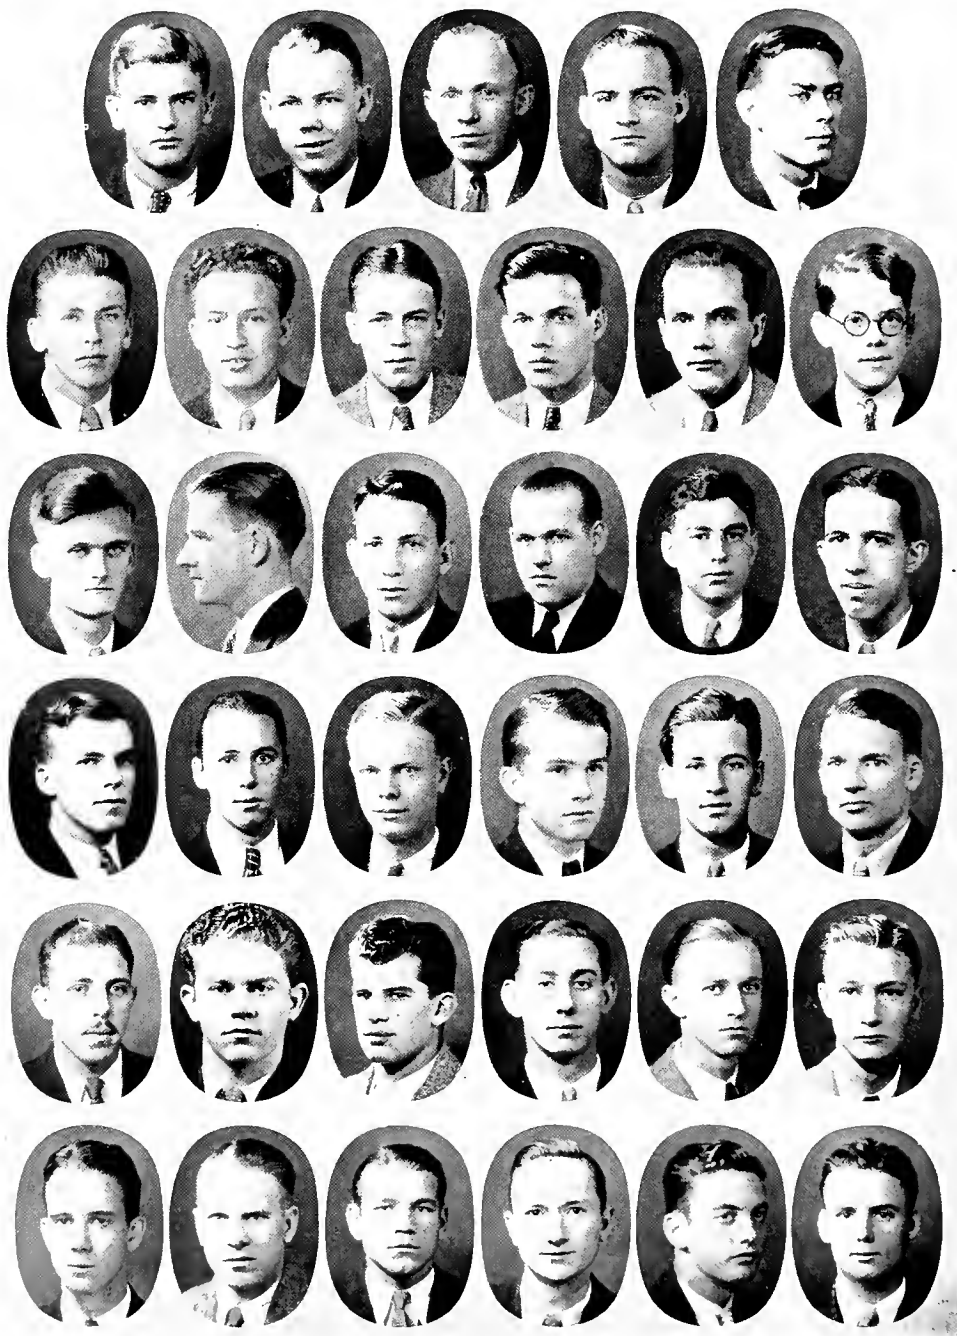

Last year the winning team was composed of Messrs. Samuel J. Goodman and Leopold Stahl, of the White Club. As this volume goes to press, it is announced that the Benjamin and Martin clubs will participate in the final Senior round of the competition of 1930-31.

Competition in Moot Court cases is optional among the two upper classes, and compulsory in the first year.

Prominent downtown lawyers act as Judges in the Senior cases, and also on the Junior cases, where upper classmen sit with them as associates, and faculty members with upper classmen as associates sit on Freshmen cases.

HARRY GLOVER

Hall of Fame

HARRY GLOVER

Because of what a little man can do, Harry has shown himself to excel in almost all sports. He has been one of our mainstays in football, a letter man in basketball, baseball and track.

EDDIE GESSNER

EDDIE GESSNER

Because of his popularity with his fellow students, and because of the noble way he has handled the hardest of jobs, President of the Student Body. There isn't a student on the campus who doesn't know "Eddie." The office he holds, and the manner in which he performs the duties of his office can best typify him.

JERRY DALRYMPLE

JERRY DALRYMPLE

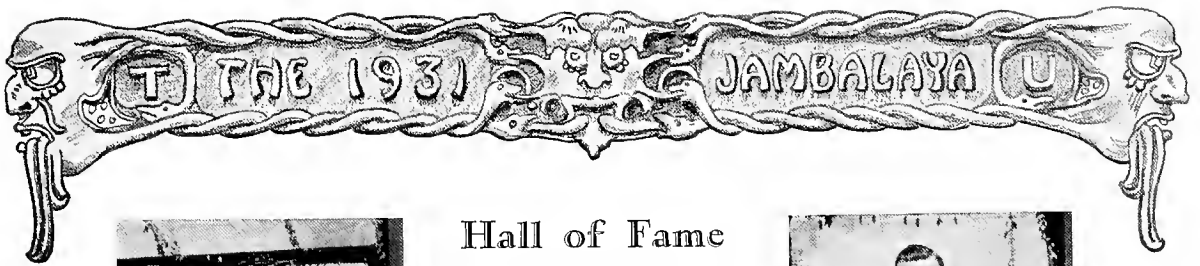

Because by his pluck and never tiring energy on the football field, he has won himself a berth on the All-American Football Team, and won his way into our hearts as one deserving of any honor we can bestow on him.

BOB WEHRMANN

BOB WEHRMANN

Because of his winning personality, and because of his management of the Glee Club this year as its President. Because of his faithful work with the Glee Club in the past. Because of his service on both the golf and tennis teams.

PREACHER ROBERTS

Hall of Fame

PREACHER ROBERTS

Because of the way he led our 1930 Green Wave, Co-Southern Champions, as Captain, through a highly successful season. Because of the way he Captained the Basketball team. And because of Preacher's general popularity and fame as an All-Southern center.

DR. HARRIS

DR. HARRIS

Because of his popularity not only with his fellow professors, but also with all students who come in contact with him. Because by his efforts as Dean, the Law School at Tulane is on the top.

DON ZIMMERMAN

DON ZIMMERMAN

Because, not only was Don the flashiest back on the football team, and an All-Southern, but also because Don is well liked by all who know him, and few are found who do not.

HUGH WHATLEY

HUGH WHATLEY

Because of his three years of faithful service on the football team, during which time his fleetness of foot gained him a berth on the All-Southern team. Because as a member of the Student Council his duties have always been well fulfilled.

BETTY WERLEIN

Hall of Fame

BETTY WERLEIN

Because as Junior Class and Student Body presidents she has led her fellow students wisely and diligently. Because she is an intelligent, versatile and enthusiastic worker in everything she attempts. Because through her efforts, the curricula at Newcomb is being constructively investigated with change and improvement in view.

ROSALIND ROGAN

Because as campus night chairman she proved herself an apt organizer and gifted leader. Because she is an enthusiastic and talented actress. Because as Senior Class President she has led her class with ease and with a sunny disposition that only *Rosalind* could have.

ROSALIND ROGAN

ODILE SIMPSON

Because as President of the Sophomore Class she gained a place of merit and popularity. Because she is an athlete of no mean ability. Because as Student Council President she carried out her duties with an ease and capability all her own. And lastly because she was voted the most popular student at Newcomb College as the result of her winning personality and charm.

ODILE SIMPSON

MARGUERITE DAVENPORT

Because as *Hullabaloo* editress she has helped bring the standard of that paper up to what it now is. Because she recognizes student needs and presents them to the faculty and student body. Because, although the youngest Senior at Newcomb, she is a student above the average. Because she is one of Newcomb's staunchest supporters.

FRAT CRACKS

Dr. Clara G. Bonneck, notorious economist, says that the solution to the business depression is More Advertising. "The public has its hands in its pockets (i. e., Dr. Nixon) and won't take them out. The only way to get them to loosen up besides hitting them on the jaw is to advertise. It is the key-word of American buying power. So let's go buy-buy." And so, taking the advice of this friend to mankind and football players, the Tulane fraternities have planned campaigns and selected the *Jambalaya* as their medium.

Ask The Man Who Owns One

Ask the man who owns a DEKE pin if he doesn't belong to the best fraternity in the world. "Sure," he'll say. Definite class appeal. Satisfaction guaranteed or money refunded. If you haven't got class we'll supply it. You put on the button and we'll do the rest. If you can play football you're wanted. We've taken All-Americans off the sport page and put them on the society page. We supply your every need. Artist's models? Moving picture actors? Farmers? We have 'em.

SUPERMEN—NO END

(trade mark, reg. U. S. Pat. Off.)

If You Want to be a Tau Delt, Just Come Along With Me. . . .

Yes, dear public, that's all you have to do—come along with me. I can take you where pink elephants and green snakes romp in luxuriant tropic underbrush, where beds whirl 'round and the Chinese army will march through your mouth bare-footed. The round trip costs about \$4 (a quart). Delta Tau Delta has come into its own, in spite of severe losses two years ago. We are now in the class with the Betas, K. A.'s, Dekes and Phis and every once in a blue moon we bump them on a freshman or two. Also we now are getting very classy and going around with Pi Phis and Kappas but we still stick to our parallels—every night we enter that way.

After death what? Sigma Nu is the answer. When you've died above the shoulders and rigor mortis has set in, when you want to sit down by a fireside and have the protecting care of a house mother while you dream of the cricks and lanes and hog calling contests on the old farm—Sigma Nu is the answer. It is also the question. We don't want our public to be duped. We moved away from St. Charles Avenue because we wanted to get peace and quiet out the distant reaches of Pine Street, not because we couldn't pay the rent or because we had designs on 1229 Broadway. Gone are our red-heads and gone our leaders of yore. Come with us far from the maddening crowd's ignoble strife and rot away the years.

Models A-1001, A-1003J, B-85-7 are very popular (consult our annual catalogue). We also have mail order houses at strategic points all over these great United States—there are some 109 of these, now, we believe—we lost count after 10 but that's what Old Man Craig says. Armstrong Allen—our executive in the Southern territory—offers a choice lot of minor positions at the Tulane factory. He will turn these over to you or put you in line for them if you dare go Kappa Sig. He's been an understudy of the big shots for about seven years now.

Once upon a time we were a great fraternity, on a par with the Pi Kappa Phis even, and we could insert full page ads congratulating Brer Jahnce, La. Epsilon '06, on becoming a Republican office holder. We were even known to exist—but now it is not quite sure whether there is a Tulane chapter of S. A. E. or not. Sometimes we have one man living in the house and if we pledge a single freshman that has been rushed by another fraternity or even a single freshman, we get drunk for a month celebrating. We're disgusted with life and we're gonna quit unless some other chapter lends us some good men.

Simple!

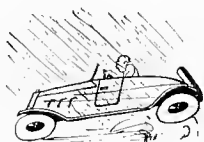

All you have to do is fill out the information requested below, clip the ad and send us a stamped return envelope and within a week we'll send you a pin, a certificate of membership and a correspondence course in the grip and "How a Phi Kappa Sigma Should Misbehave." When you have finished Lesson Five, we send "Chesse" Keith to see if you have made another mistake or not. Our batting average is pretty good seeing we take in anyone who wants to make a fraternity and can't. Now sign on the dotted line and answer yes or no—Name Age Weight Color of Eyes Color of Hair Ever belong to any other fraternity? Do you have feelings of remorse about not being a fraternity man?

Pikas—Not Pikers

Don't let anyone tell you that appearances aren't everything. Gaze at our beautiful 100 x 50 lot on Broadway—in the heart of the exclusive residential district—and our classic mansion. History has already been made under our roof—we had a fire. Variety isn't the name for it. We have every breed, sect, sex and kind. It takes all sorts of men to make a fraternity; so we pledged that missing link that runs around in the red Graham with the top down whether its pouring rain or just pouring. You seldom hear of us around Tulane—but there's something we can say for ourselves, we're just a quiet, home-loving bunch and we like our women and our liquor like every other patriotic American.

Lose Pounds Overnight

How would you like to lose your superfluous avoirdupois by a natural method? No tonics, no harmful dieting, no strenuous exercise. Five billion physicians recommend the Phi Delt way. WE TALK FLESH OFF OF YOU. All you have to do is be a rushee and say you don't like our methods. You'll sweat in a good old fashioned way. People must like our course, just read these testimonials. Hugh, "I'd die for dear old Rugby, Loyola and Tulane." Evans, Holmes' New Orleans: "I've tried the Phi Delt course for about eight years. It certainly is grand. I stopped it once but immediately began feeling so bad that I came back." John Glover, City Dump, New Orleans: "For about seven years now the Phi Delt course and I have been great pals. Look what it's done for me." Edward Gessner, Stewed-ent Council, Tulane: "It's made me what I am today and it only took seven years to do it."

Where There's a Will There's a Way

Give ear to this tale—a tale of triumph, woe, pain, and courage. Once upon a time we (with the Sigma Chis) had the best alumni in New Orleans. Everyone who was anyone was an A. T. O. Today everyone who isn't anyone is an A. T. O. We ran the carnival balls and Tulane University and the names in the society columns sounded like a roster of our great fraternity. Today people faint if they see an A. T. O.'s name in the news unless it is that of a condemned murderer.

But think you that we have let misfortune eat away at the roots of our noble symbol—the Palm? No! Courage has triumphed and now we have one handsome man, one rich man and a few Y. M. C. A. members. We have sent our alumni a letter telling them how good we are and they believe us. They would rather than come around and see what's happened.

A T O

Announcing—The Greatest Merger of History

The Sigma Chi council and corporation takes pleasure in announcing to its customers the most stupendous merger in American business history. Think of a combination of Standard and Shell Oils and you've hit it. Think of General Motors and Ford as one and you've hit it again.

It is now Stigma Chi plus Alpha Tau Omega.

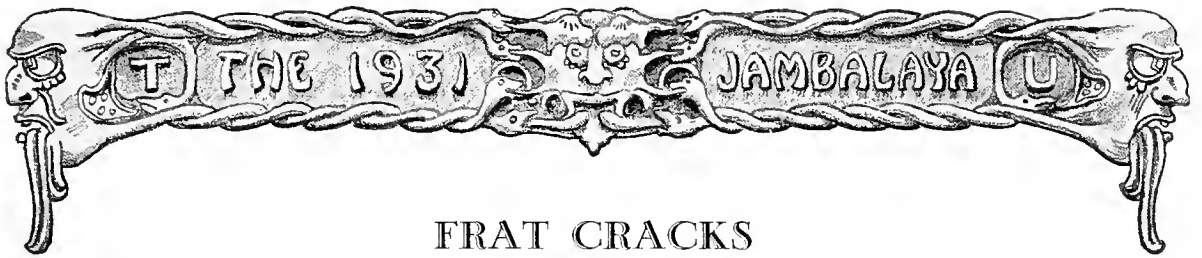

Through the post-graduate (?) work of that great old party Democrat Bill Haggerty and the Baron de Rhine-fort Rainold these great lodges have decided to merge. We now boast the finest alumni you ever saw. Blue blood has mingled with good, red wine. Think of the consummate intelligence of Sigma Chi and Pierre Lelong merged with the A. T. O. Joiners. Their motto was "a man in every activity" and ours, "an A on every report and a bottle in every pocket." The new corporation which will seal the strength of the Old Regulars will hold its meetings in the Broadway Pharmacy—finally awarding recognition to an old stand-by.

Now we can get enough men between us to call ourselves a fraternity.

The Civic Sheriff's office and the Police Department of the City of New Orleans offer the above generous reward for any information as to the whereabouts or actions of a group of alleged Tulane University students known in body as the Lambda Phi fraternity, a local organization founded in 1928 by a number of individuals whose names appear on the police register along with their finger prints. Said Lambda Phi is reported to have won an interfraternity basketball contest at one time and to have placed high in a swimming meet. Last heard of November, 1930. Ain't been seen since.

You can't go wrong with any Arthurian song. Good clean fun. The answer to where the *Hullabaloo* money goes—ARTHURIANS! If the work that Jimmy Biggar started is kept up by Myron Falk and Victor Lota, we will have enough in the treasury to start a national fraternity. But don't get us wrong. We're as pure and white as the snow on the mountainside. Just too sweet for words. Every year we pledge enough of the band and business department of the *Hullabaloo* to keep alive. That's where the money goes, to buy our brothers' clothes.

His Only Gym Was the Delta Sigma Phi House and Yet He Had "Athlete's Foot"

Δ Σ Φ

Are you a victim of this horrible and insidious disease? It is possible to be an athlete and be a fraternity man. In fact, that's our only requirement. Just go out for something and we'll go in for you. You get the letter. We give you a pin. Lincoln said, "All men were created free and equal." So you don't have to have a pedigree (they used to demand that at the DKE, Beta and K. A. lodges). Lincoln also said "This is a fraternity by the athlete, of the athlete and for the athlete." We're not conducting a theological seminary but we *have* got a Preacher.

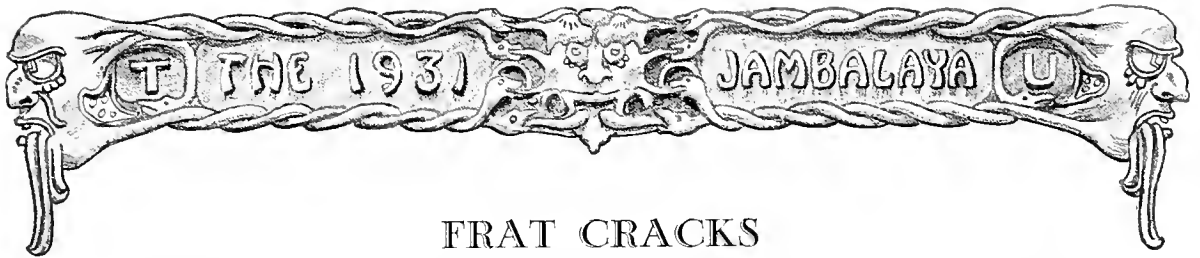

If Not In "Who's Who" Then In "Whose Zoo"

Look to the future. Don't look to the present—no one has ever paid us any attention yet. But look ahead 3,000 years. Tulane has crumbled. The captains and the kings have departed. Yet proud above the ruins Sigma Pi raises its hoary head. Now we get one good man every seven years that everyone else has overlooked. Tomorrow we will get every good man because there will be no one else. You recall the story of the tortoise and the hare. Well, if Dr. Bechtel embezzles some university funds, we may be able to buy off a few good ones. There is just that much chance. Addenda: We have a piano player.

We are going home. We are going back to Zion and weep in the shadows of Palestine's alabaster walls. We didn't mind that first operation they performed on us but when they took Morry—nize Morry—away, we put sackcloth and ashes on our heads and wept in the wilderness. Thens, nize liddle boys what koom to urr fraternity. Yom Kippur, Rosh Hoshana—good hye, good hye.

Needles and Pins, Needles and Pins—

You know the rest: When a man marries his troubles begin. Single or wed, single or wed, a man has his troubles until he is dead. We know our own minds. One of our brothers married and got unmarried P. D. Q.—the result of long trauiing under the Pi Kappa Phi method. A nice quiet fraternity for fellows with soprano voices and social ambitions. Distinctive, too. We never take a freshman that anyone else wants. Situated close enough to a ferry house. We deal specially in medies and patent nostrums and pater nostrums.

A Strange Interlude

(With Apologies to Eugene O'Neill)

ACT I

Time—Rush Week.

Place—Pascagoola—Chi Omega House Party.

Character—Rushee, Tew Many.

She speaks: "I have never enjoyed a house party as much in my life and I like your *type*. You were so darling to me and I would love so to promise *now*, but I had really better wait until I write my sister."

STRANGE INTERLUDE

She thinks: "So *many* thought this was *Wednesday* and I could promise and here it is only *Monday*. Could I have misinterpreted the Rush Rules?"

"Are they afraid to wait till *then*?"

"No Chi Omega little sister need *hope* of aspiring to anything *better* since it's strictly a *family affair*."

"She's only a *GREEN* freshman, but she's got her man and may soon be *DONned* with a pin."

"Since they are a *Fraternity*, they can do anything!! What an opportunity!"

ACT II

Time—Rush Week.

Place—Inn-By-the-Sea—Zeta House Party.

Character—Rushee, Tew Many.

She speaks: "This houseparty surely was fun, especially the dances. You all were so lovely to me and I do hope that I will see lots more of you!"

STRANGE INTERLUDE

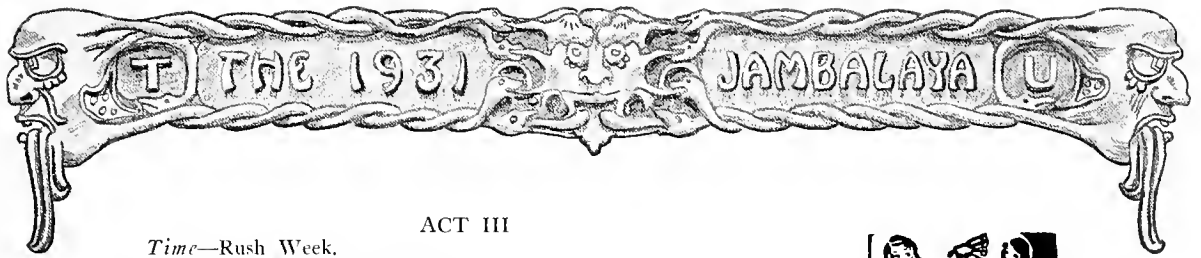

She thinks: "Those older girls were mighty cute. Wish they were in the chapter *now*. But the *LAMB* and *PARSONS* are still with the fold."

"Hope I made a good impression on that Physics teacher because I must pass the course!"

"But if I don't promise Zeta—? Is it worth it?"

"This Practice-Teaching I hear so much about! Does she really mean to teach her class dressed in a *Tea Gown*?"

ACT III

Time—Rush Week.

Place—Phi Mu Gypsy Party.

Character—Rushee, Tew Many.

She speaks: "This was such a *darling* party and I had the grandest time. You all have the *cutest* bunch and I like you lots, but I've really not decided just *which one* on the campus I prefer."

STRANGE INTERLUDE

She thinks: "Talented cousins help out, especially when one has decided to go in for *quality* and not *quantity*. AIMEE be—I wonder?"

"At least they are not jumping from the FRYing pan into the fire—in fact, things are PERKolating right now."

"How ALERT and artistic that senior is! TEX a lot of skill to be so versatile.

"Lizette Moore has a football, but Kitty has keys to MOORE hearts—how many MOORE?"

ACT IV

Time—Rush Week.

Place—Alpha Epsilon Phi Tea.

Character—Rushee, Tew Many.

She speaks: "This was such a pretty tea and I surely enjoyed myself. Thanks so much for letting me be among the honored guests."

STRANGE INTERLUDE

She thinks: "That song they were singing, '*Who Runs the Town?* A. E. Phi—A. E. Phi—A. E. Phi!' What a good opinion they have of themselves!"

"But when there's no *competition*, what *more* can you expect?"

"Too bad so many freshmen were disappointed this season, but it's all in the family!"

"Aw, HIRSCH!"

"Odd, their rushing such a number of out-of-town girls!"

"Why are they playing, 'Wedding Bells Are Breaking Up That Old Gang of Mine'? Evidently somebody was married this summer, but they don't seem so distressed about losing her!"

"Where, oh, where is their poetess? Gone, I guess! Gone, I guess!"

ACT V

Time—Rush Week.

Place—Kappa Alpha Theta Dance.

Character—Rushee, Tew Many.

She speaks: "I certainly did have a *grand* time at your dance. So many darling boys! I'd really love to promise, but I MUST write my Chi Omega sister about it."

STRANGE INTERLUDE

She thinks: "They seem to find young men a big help in rushing—one of those boys nearly had me *sewed up*."

"This promising business—it certainly does mix me up—when *can* you promise?"

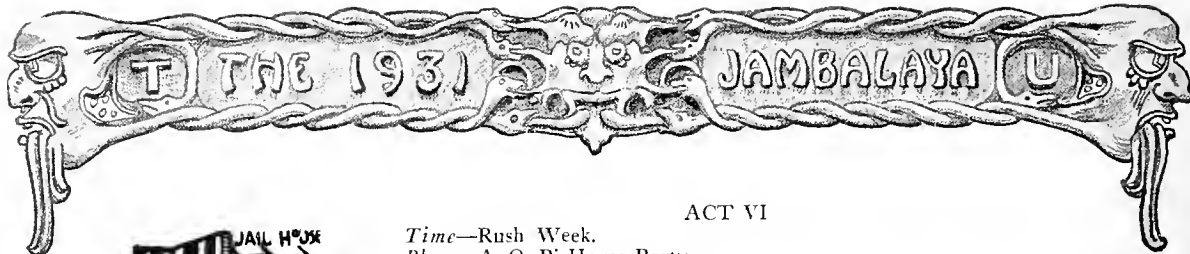

"Strange, the personal friendship formed during the summer—I thought rushing had just *begun*!"

"If I should go Theta, would I get into a JAMB?"

"It *would* be nice to say that I belonged to the 'Oldest National Women's Fraternity'!"

"They're pretty near the KAT's Me-Ow!"

ACT VI

Time—Rush Week.

Place—A. O. Pi House Party.

Character—Rushee, Tew Many.

She speaks: "The house party was plenty of fun. These favors are *too* adorable—I can hardly wait to show them to all the unlucky ones who went somewhere else. Won't they be sorry, though?"

STRANGE INTERLUDE

She thinks: "These favors—what PRICE jewelry? Bribing rushees?"
 "But they are *cute* and I'm glad I came."

"I wonder whether that girl broke her Chi Omega promise for the rushees or for the Fraternity?"

"From all appearances, their prospects are better this year than last!"

"Those alumnae are very attractive! They are *so sweet* to me, how *can* I refuse them?"

"They'll be Jail (pardon, J. L.) keepers this year, so guess I'd better try to get on the good side of them."

ACT VII

Time—Rush Week.

Place—Beta Phi Alpha —The Dansant.

Character—Rushee, Tew Many.

She speaks: "The party was simply *swell* and I had a *grand* time. I never can thank you enough for inviting me. Call me up again soon, won't you? I must RUSSEL along."

STRANGE INTERLUDE

She thinks: "Never saw *this* bunch of rushees *before*."

"Wonder who told them about me? My name—spelled incorrectly!"

"They say these girls practically run athletics and the Mandolin-Guitar Club."

"Won't have to BENDER finger to make the teams if I go B. Phi. A. and ASBURY about joining M. G. C."

"They may be new, but their future looks promising."

"Anyway, their radio will keep them in touch with the outside world."

ACT VIII

Time—Rush Week.

Place—Kappa Kabaret.

Character—Rushee, Tew Many.

She speaks: "What an enjoyable party! I certainly did have a most *pleasant* evening, girls. You all were so sweet to have me here and I'll see you tomorrow at Registration, I suppose (if you can *find* me in the mob). You'll be around, won't you? Wish I could promise *then*, but I have some other dates to fill."

STRANGE INTERLUDE

She thinks: "Glad we didn't play bridge again tonight. Hate to keep winning all the time. No doubt part of the game!"

"A haven for *would-be* actors, editors, religious fanatics and those otherwise aggressive? There's safety in numbers, so perhaps this wouldn't be a bad choice, politically speaking!"

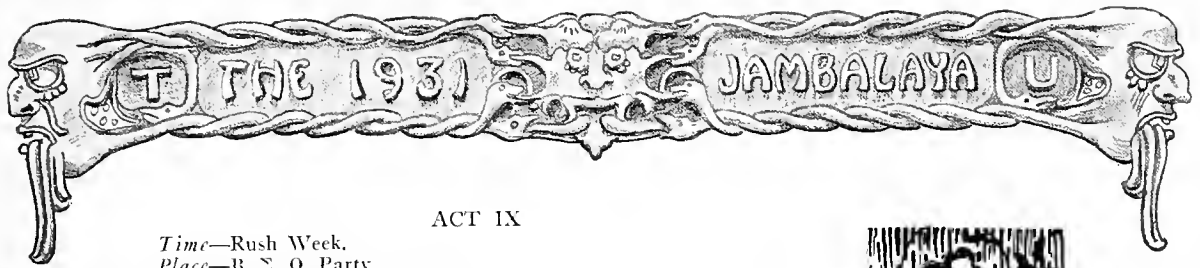

"That tall, thin blond—what a line! A Kappa characteristic?"

"The profile on the curly haired blond—IVENSeen one as forcedly attractive before! Tricks in every trade."

"This talk of their changing living quarters—convenience or—?"

"Debut guaranteed, with *promising results!*"

ACT IX

Time—Rush Week.
Place—B. S. O. Party.
Character—Rushee, Tew Many.

She speaks: "Well, thank you all for the pleasant evening. The party was *so* nice and I don't know *when* I've had as much *fun*. I *do* hope to see lots more of you in the near future, mayn't I?"

STRANGE INTERLUDE

She thinks: "I understand that certain actives claim to have an option on that *bench* under the weeping willow tree by the Art School. Maybe if I *promise*, I can *use* it some night."

"Strange their winning a Scholarship Cup in spite of this!"
 "They say all the pledges will be required to take *tap dancing* this year so that they may follow in the footsteps of their illustrious predecessor, D. A. B."
 "B. O.'s? Some advertisement!"
 "Hullabaloo, Ray-Ray, M.D. Ray-Ray."
 "The baby national will be bursting into print ERRE you know it and walking by itself.
 'Give yourself a PAT on the back.'"

ACT X

Time—Rush Week.
Place—Pi Phi Supper.
Character—Rushee, Tew Many.
 She speaks: "I never enjoyed a supper more in my life. Such *delicious* food and *so much* of it! Must have been horribly *expensive*."
 (Voice from rear—"Ask Betty Werlein!")
 "You all are *mighty* attractive and I like your style, but I haven't had a chance to look the *rest* over as *yet*. Couldn't I give you my promise later? My cousins are Kappa's."

STRANGE INTERLUDE

She thinks: "None of them were smoking!"
 "The supper would have been *great* if there hadn't been so many *crest-fallen* expressions! Wonder why?"
 "To them, promises are *small* matters, but they may find that though they aim to please, too often the arrow misses its mark! They lack the power of persuasion!"
 "Strange what a break they are giving out-of-town girls this year—hope it's no reflection on the home products."
 "Suppose they WERLEIN to me when they said they would run Student Body this year?"
 "Society beckons—shall I follow the Arrow?"

ACT XI

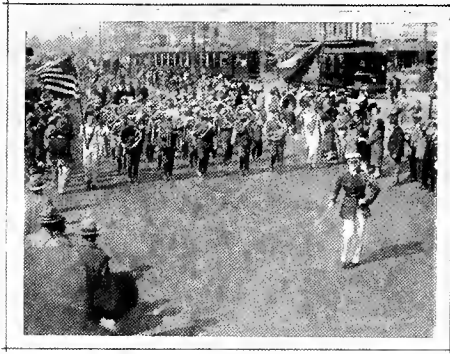

Time—Rush Week.
Place—A. D. Pirate Party.
Character—Rushee, Tew Many.
 She speaks: "This was *such* an enjoyable party and you all make very attractive *pirates* with your *taking* ways. I'm fond of all of you, but would rather wait awhile before I give you an answer. Mighty WHITE of you to want me!"

STRANGE INTERLUDE

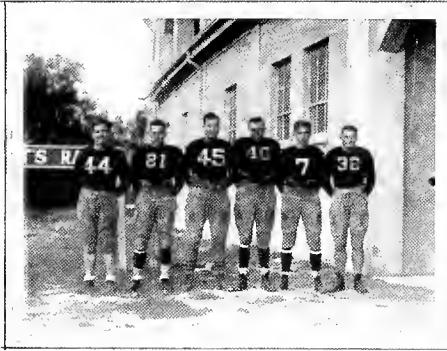

She thinks: "One little girl whose mother is a member of this fraternity had to *write* home about accepting *their* bid! Shall I risk it?"
 "That little sister thinks she'll go *A. O. Pi*."
 "But with all the other girls here, they'll *never* miss me!"
 "Their *wholesale* pledging—could it be for *political* reasons in preparation for the BIG ELECTION this year? Do you suppose ancient *president* will be carried out? Those *taking* ways!"
 "Majority usually rules in spite of *honest* efforts! Perhaps it *does* pay to blow your *own* horn! What *SAY, MAN*?"

The Sorrowful Tale of Annie Tew

*There was a little freshie,
Her name was Annie Tew;
She came to Sophie Newcomb
Not knowing what to do.*

*The Pi Phis met her at the train—
She thought they were the stuff;
They bragged about their pedigree—
She thought she'd had enough.*

*She made the Kappa "Kabaret"—
Almost went up in smoke.
But when they started on their line
She said, "This is a joke."*

*Theta's got her to their dance—
A time was had by all;
And when they said, "Oh, promise us,"
She nearly took a fall.*

*Chi O was running after her—
A mob of anxious dames.
She wasn't sure she liked them,
But the pressure started flames!*

*A. O. Pis were in pursuit—
A desperate bunch were they.
The favors, tears and "Won't you please?"
Made her almost give away.*

*Old A. D. Pi (not to be outdone)
In winning Annie Tew,
Had Pirate parties, what you will—
Boy, how the ashes flew!*

*Phi Mu, artists and athletes, too,
Believed in "Music hath charms"
And with a talented cousin's aid
Had Annie in alarm.*

*Next Z. T. A. with courage vied
To make a good impression.
But to her family alone
She made a big confession.*

*The A. E. Phis had her to tea—
The food was of the best.
In quantity they led them all,
And equally in zest.*

*The Beta Phi Alphas, bless their hearts,
Kept up the steady pace.
But Annie Tew, then quite worn out,
Dared not put forth her face.*

*Beta Sigma Omicron came on the scene,
The newest frat to call.
In writing, scholarship, debating—
They thought they beat them all!*

*Alas, for poor, dear Annie Tew!
Whate'er would be the end?
She couldn't choose between them all,
But hoped she'd be their friend!*

*The frat appeal was not so strong,
She wasn't such a flapper;
And so she said, "Well, after all,
I'll take Phi Beta Kappa."*

Reinforced Concrete Lecture (B&S 45)

- 9:30 Good morning gentlemen! Will you gentlemen kindly remove your coats from the tables and put them in the place provided? We are now going to design a retaining wall. On the basis of my experience, and I might say I have designed literally miles of them. ... I don't see what takes you so long, I can make a design on the back of an envelope. In practice this ought to take certainly not more than five
- 10:30 minutes. Just set this on your slide rule. Mr. Lewis can't you do simple arithmetic in your head. ... The simple way is the easy way. The answer is 800 so we'll use 1000. Professor where did you get that answer? Oh! that may be in error but it is just to show what I mean, I don't care for values. ... Will the president of the
- 11:30 senior class kindly raise the window. ... Mr. Lerner where is Mr. Seewer this morning? Pardon me I seem to have digressed, so coming back to this, we will design a T-beam. ... It is done thus and so. Take some celluloid and a few rubber bands and you will get a very good idea of how this thing will act. ... Engineers don't guess - they estimate, so we will estimate the depth at 24", or look it up in the
- 12:30 tables. ... I had the author include these tables for your convenience. Have you a class with Prof. Fox? ... If not we will continue as you know this is for your own good. ... Come here Bo. ... Is that clear, now.

Jokes

He rises from his seat among the others waiting their turn to go to the chair. A silent individual with an official look beckons him to the chair. He steps into it and resigns himself to his awful fate. The official individual bends over him and adjusts the straps. Suddenly there is a horrible, macabre, buzzing noise. For a moment the man in the chair rises a little. There is a fixed stare in his eye. Then he sinks back. Soon it will be all over. His last words are, "Cut it short."

This is Station WAB signing off, ladies and gentlemen. We have just given you an eye-witness account of the execution of a Tullanian in Joe's Barber Shop. He was having his hair cut.

FRACTIONAL WISECRACKS

A lady much above the usual size was trying to enter a street car. A passenger, who was waiting to get off, began to laugh at her futile efforts.

"If you were half a man, you'd help me on this street car," snapped the fat lady.

The passenger retorted: "Madam, if you were half a lady, you wouldn't need any help."—*Lakpoon.*

Essential Service

Electricity, Gas, Street Railway are services essential to community growth. To render such services adequately means the expenditure of millions of dollars for equipment and maintaining an army of trained employees.

〔 As the city continues its march of progress,
Public Service will at all times keep abreast of
the parade, assisting in every manner possible
the progress and prosperity of the community. 〕
